Diggs Goes in for Two Months.
In the police court on Saturday, two drunks were given the usual receipt. One of these was Charles Diggs who promised faithfully to take the pledge if he were allowed his freedom, but his pleas were vain, and he was sent to jail for two months.

Officer Perry Improved.
Officer Perry who was stabbed last week by an intoxicated man, named Dennis Sullivan, was feeling somewhat improved yesterday, but he still feels rather weak. The officer has not been able to go on active duty since the occurrence.

Arrested for Assault.
Edward Johnston was arrested by Officer Smith on Saturday on the authority of a warrant for assault.

The complainant is James Stillman, to whose house on Barker street, the police were called about a week ago to quiet a disturbance in which Johnston was taking a prominent part.

Newspaper Dinner.
Representatives of the reportorial and editorial staffs of the city newspapers gathered at White's Restaurant Saturday evening as the guests of Mr. Cecil Bout, of the Sun. After an excellent dinner toasts were proposed and speeches made. A possible sequel of the dinner is the formation of a Press Club.

En Route to Trinidad.
Mr. W. H. Covert, of Sydney, passed through the city on Saturday en route to New York, where he will make a short stay before proceeding to Trinidad.

Mr. Covert is a prominent member of the Nova Scotia bar. He is a nephew of the late Judge Hanington, and of Mr. A. H. Hanington, of this city.

Goes to Carleton County.
Rev. Dr. W. E. McIntyre left on Saturday evening for Carleton county, where he will attend the United Baptist district convention during the week.

That of the second district will be held at Connell on Thursday and Friday. Dr. McIntyre will speak upon the missionary work of the Church, of which department he is the secretary.

Complain of Boys.
Residents of the district about Bellevue avenue, Indian town, have made complaint to the police as to the conduct of a crowd of young men and boys who make the Sabbath hideous with their sports in a field back of Kierwin's barn, near Stetson and Cutler's line.

A crowd of as many as twenty-five is reported to make a habit of engaging in a ball game there every Sunday afternoon, with the regularity of a big league schedule, and according to the statements of those living near, they shout and swear in a very objectionable way.

Millmen Walked Out.
By adopting assertive methods, the workmen in Hilyard Bros. mill and in J. E. Sayre and Company's mill at the foot of Portlan street, claim that they have been able to secure the Saturday half-holiday for the coming summer.

On Saturday at noon the men employed in these two mills walked out when the half day was done. At five o'clock they went to the offices and drew their pay, and they now feel that the half-holiday is a certain prospect.

Had Good Time in Fredericton.
The members of the choir of St. Paul's church, the Pastor, Rev. E. B. Hooper, and a number of their friends returned to the city on the Boston train on Saturday evening, after having a pleasant day at the capital. The party went to Fredericton on the early morning train, and were met at the station by the members of the Cathedral choir. In the morning the boys of the Cathedral choir played the boys of the St. Paul's choir a game of baseball, in which the latter were victorious. The party visited the parliament buildings and several other places of interest in the afternoon. In the evening a song service was held at the Cathedral at 7 o'clock, in which the St. Paul's choir assisted. Rev. Mr. Hooper sang the evening song in an excellent manner, and the St. Paul's choir sang better than ever before.

MR. R. L. BORDEN IN THE CITY ON SATURDAY

Mr. R. L. Borden, leader of the Conservative party in the Dominion Parliament, passed through the city on Saturday evening, en route from Halifax to Ottawa. Mr. Borden, the Minister of the Interior, is expected to return to England on June 17th, by the Empress of Britain.

The leader of the Opposition carries a healthy tan and appeared in the best of spirits. To his visit to the Old Country he seemed to be looking forward with an anticipation of pleasure enhanced by the fact that the multifarious duties of his public and business life have prevented him from making such a trip in fourteen years past.

The N. S. Convention.
Speaking of the convention of Nova Scotia Conservatives which is to be held in Truro on the 28th inst., Mr. Borden said that the arrangements for the event had been made very complete and every county reported that delegates were to be sent.

REV. MR. SWIM TENDERS HIS RESIGNATION

Rev. Gideon Swim, who has been pastor of the Waterloo street Baptist church since October, 1907, tendered his resignation last evening. The resignation is to take effect on September 26.

Mr. Swim read his resignation immediately after the sermon at the evening service. It was as follows:

"To the officers and members of the Waterloo street Baptist church:—I hereby tender my resignation as pastor of the church, the said resignation to take effect on September 26th next."

Mr. Swim briefly addressed the congregation and informed its members that after carefully considering the matter he had decided that the best course of action for him to pursue was to resign his pastorate. He felt that he could perform his best work in the future in some church other than the Waterloo street United Baptist church.

No Plans for Future.
Rev. Mr. Swim informed The Standard last evening that he has no plans for the future and had not resigned because he had received a call from any other church. There had been no friction between himself and the officers of the Waterloo street church, everything had worked smoothly. The church was a small one and its financial position was not particularly good. He had decided that it would be better for him to remove to some other sphere of usefulness.

NO SUNDAY TRAINS ON I.R.C. THIS SUMMER

Mr. M. J. Butler, of Ottawa, deputy minister of railways and canals, arrived in the city Saturday night. Miss Butler accompanied him. The other members of the board of management of the I. R. C., Messrs. Tiffin and Brady will arrive this morning. The day will be devoted to inspection of the intercolonial properties in the city. This evening the members of the board will leave for Fredericton, where they close their present tour of inspection.

No Sunday Trains.
Speaking last evening to a representative of The Standard, Mr. Butler said that there was no likelihood of Sunday trains being run upon the intercolonial until a great change comes over the opinion of the public. "Perhaps," said Mr. Butler, "when the people of the Maritime Provinces become more numerous, Sunday trains will become necessary. At present there is no demand for them, and there would be much opposition to their introduction."

MR. PERKINS NOW ACTIVE AS AN ALDERMAN

Mr. Eben Perkins, who left St. John about three years ago to take charge of a large shoe mill works in Hoopston, Ill., was recently elected an alderman of that city. When in St. John Mr. Perkins was manager of the Portland Rolling Mills and Maritime Mill Works and made things lively for the saloon keepers in the vicinity of the Rolling Mill. After several attempts Mr. Perkins succeeded in ridding that portion of the city of bar-rooms.

Evidently Ald. Perkins is making things lively in the city of Hoopston as the Daily Herald of that city in a report of the council meeting of the 8th inst., has the following:

"Alderman Perkins threw the council into a shiver last night when he launched into the midst of the solons a severe criticism of Police Chief Wallace and Night Police French for failure to fully appreciate and perform their duties. Alderman Perkins said he might be alone in the stand he had taken on the question, but if the resignation of either or both these officers were on the table, he said he would surely vote to accept them."

Alderman Johnson arose to assure Alderman Perkins that he was not alone on the question, and backed up his statement by moving that the two officers be removed from the force.

"Mayor Pinley promptly declared the motion out of order, insisting that he was responsible for the enforcement of law in the city."

DAIRY MAN REPORTED BY THE POLICE

As a result of a visit made by Sergeant Campbell and officer C. H. Hughes, Robert H. Crothers, proprietor of the People's Dairy, 150 Union street, has been reported for a violation of the Lord's Day Act.

Mr. Crothers had his premises open yesterday and was seen selling milk and strawberries to a customer, which is contrary to the Dominion Lord's Day Act. Reports have been made recently, and fines imposed for selling beer and other drinks on Sunday, and this is the first report of this nature that has been made for some time. The vendor will have an opportunity of explaining matters to the Magistrate, probably some time this week.

MR. MOORE SAYS NEW DREDGE IS A GOOD ONE

The new dredge which Mr. John E. Moore recently purchased in Boston is expected to arrive in port tomorrow. The tug Lord Kitchener left Boston with the dredge in tow Saturday morning and it is expected that the trip to this port will be made in four days. The Kitchener has a heavy tow, however, and the time may be longer.

The new dredge is a very powerful one with three dippers with the respective capacities of 9, 10 and 12 yards. She will be able, Mr. Moore says, to dig to a depth of fifty feet.

The dredge is practically new having done but little digging at Boston. A couple of days' work upon her will make her fit for work. Mr. Moore stated to The Standard last night that he did not know where the new dredge would work.

WORMS

When children get cross and peevish, with poor appetite, we are inclined to think of everything else but worms. But worms are more than likely the cause of the trouble.

Nyala's Worm Syrup has been killing and eliminating worms from children for a good many years. It is perfectly safe, and it is a wise precaution to give the child a course with Nyala's Worm Syrup where there is only a suspicion as to the presence of worms. It works well on grown-ups who are ill troubled that way.
