Bay Wood and Fred Yelle are billed for a bout in New Bedford next Friday night.

Joe Rivers, the Mexican, has agreed to meet Jack Britton in New York in a couple of weeks.

The bout between Ed McGorty and Freddie Hicks in New York tonight has been postponed to Jan. 22, as McGorty has the grippe.

Jess Willard has turned down a good offer to meet Gunboat Smith in Oakland, Cal., as he wants to wait for a match with McCarty, whom he has challenged.

A number of Chicago business men figure that backing Jess Willard against Luther McCarty is a good proposition and they are planning to bring about a deal with that end in view.

Billy McCarty, manager of Luther McCarty, is overwhelmed with good offers for McCarty to box various heavies, but he has turned them down. He does not intend to let McCarty meet any good heavyweight until July 4, when he has signed to box at Everton, Cal.

Jim Jeffries declares that he never learned the crouch from Tommy Ryan, but from boxing big Bob Armstrong. The former champion advises boxers not to use the crouch, but to stick to the old style of standing up straight when boxing as they can become clever by doing so.

Freddie Welsh, who is claiming the world's title just because he got a belt from the National Sporting Club of London, after he defeated Mehegan, the Australian champion, is claiming the world's title just because he got a belt from the world's best by the club, Welsh will have to defeat Willie Ritchie, before he is recognized as the world's champion.

Lisbon, Jan. 8.—Dr. Alfonso Costa, leader of the democrats, has formed his new ministry as follows: Premier Costa; Colonias, Almeida Ribeiro; War, Pereira Bastos; Public works, Antonio Maria Silva; Navy, Freitas Ribeiro; Foreign affairs, Goncalves Teixeira.

THE LARGEST SALARY EVER PAID A PLAYER

Chicago, Jan. 8.—The American league brought out its heaviest battalions today and captured Frank Chance. The former Chicago National league team's manager was signed to manage the New York American league club at a salary and interest which amounts to \$120,000 for the three years for which he signed. The largest amount ever paid to a baseball player. Of this sum \$75,000 is salary and the remainder the estimated value of five per cent. of the net earnings of the club.

Two days of negotiations between Chance and Frank Farrell, owner of the New York club, were brought to a climax this afternoon when the principals quietly visited the office of Dan Johnson, president of the league. There they came to their agreement and there the announcement that Chance had signed was made.

"Gentlemen, let me introduce you to the new manager of the New York Americans," said Mr. Farrell to the reporters, as he, Johnson and Manager Chance emerged from the conference.

Both Farrell and Manager Chance kept secret the actual details of their conference. Chance candidly admitted that he had a change of heart since he arrived in Chicago, and said he had been offered terms which no one in his right mind could refuse.

Chance will assume active management of the team February 11, when he will reach New York to attend the American league meeting. He will then arrange the details for the training trip. The New York club will have its spring workout in Bermuda, where Farrell has engaged a cricket field for the diamond practice.

AMEND CONSTITUTION OF STOCK EXCHANGE

New York, N. Y., Jan. 8.—Governors of the stock exchange today amended the constitution of the exchange so as to make the nominating committee self-perpetuating to a less degree than it has been in the past. The amendment to the constitution will not become effective until January of next year. Officials of the exchange assert that the change is in no way connected with certain "reform" measures now under consideration.

"YOU'LL SUFFER COPPER STOCKS ALL YOUR LIFE" WERE OFF A SHADE

That's what the Doctor told him "Fruit-a-tives" cured him

Chesterville, Ont., Jan. 25th, 1911. "For over twenty years I have been troubled with Kidney Disease and the doctors told me I could do no good, and that I would be a sufferer for the rest of my life.

I doctored with different medical men and tried many advertised remedies, but none of them suited my case. Nearly a year ago I tried "Fruit-a-tives." I have been using this fruit medicine nearly the time since, and am glad to say that I am cured.

I give "Fruit-a-tives" the credit of doing what the doctors said was impossible. I am now seventy-six years old, and in first class health."

GEO. W. BARKLEY. In all the world there is no other remedy that has cured so many cases of so-called "incurable" kidney disease, as "Fruit-a-tives."

This famous fruit medicine acts directly on the kidneys—helping and strengthening them—and ridding the system of the waste matter that poisons the blood. For \$2.50, trial size, 25c. At dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.
