Belgium Accepts Paris View in Opposing Plan to Reduce.

Paris Believes Germans Able to Pay in Full and "Stands Pat."

Paris, Oct. 14.—The matter of reparations seems to have resolved into a clear-cut question of whether the Allies will be paid in full for the damage wrought by the Germans or whether they will modify the letter and spirit of the treaty of Versailles and "let Germany down easy" in fixing the amount of the indemnity. The German Government has issued a decree banning all Jews who immigrated to that country since 1914, except those on official business for foreign governments. The Government hopes in this way to make room for Hungarians who have been deported from occupied districts and are now living in railway trucks.

PICTURESQUE PREACHER AT ANNIVERSARY

Bishop of Europe Visiting U. S. — Has Had Interesting International Career.

(Copyright, 1920, by Public Ledger.)
Washington, Oct. 14.—The Right Rev. Herbert Bury, D. D., Bishop of Europe, who will preach at the forthcoming 25th anniversary of Christ Church, Philadelphia, is one of the world's picturesque clergymen. He was battling in the Argentine just before he was ordained an Anglican priest in 1878. Few British clergymen have had so international an experience. For three years (1898-1901) Dr. Bury was bishop of Honduras. He is an Oxford man and has traveled pretty much all over the world. "Russian Life Today" is one of his books and a "Bishop Among Bananas," which tells of his sojourn in Central America, is another. Dr. Bury domoiled in London, but he spends virtually all of his time touring the Anglican communities of Northern and Central Europe, of which he is bishop. He rendered omnibus service during the war, by frequent visits to enemy prison camps in which Britishers were interned. His experiences in Germany are narrated in a book entitled "My Visit to Rohlleben," the great barracks for British civilians near Berlin.

An Australian dignitary was being entertained by New York society. For what seemed to be endless nights he was dragged through the intricacies of the pigeon-hole, the fox-trot, the tango, and the foxtrot. At last came his day of departure.
"Please, madam," he implored of his late hostess as they parted at the gang-plank, "don't ever come to Australia."
