

GOVERNMENT ASKED TO AID EXHIBITION HERE

Urged That it May Be Last Chance for Some Years--Solicitor-General Goes to Ottawa re Subsidies for the Valley Railroad--New Companies--Application for Lands Along International Railway--Dr. Anglin's Salary.

Premier Pugsley, Hon. Messrs. LaBrosse, Farris, Jones, Sweeney and Robinson attended an adjourned meeting of the provincial government here Tuesday afternoon and considerable business was transacted.

Among other matters was the granting of letters patent incorporating T. Rankine & Sons, Ltd., also the Clifton Steamship Co., Ltd. The latter is to operate the steam ferryboat now being built at Clifton for the purpose of a steam ferry between Robbsey and points on the opposite side of the Kennebec river.

Letters patent were also granted incorporating the Canadian Mineral Company, except Frederick A. Young, of this city, the applicants are all United States citizens, including Robert W. Graves, of Elizabeth (N. J.).

Supplementary letters patent were granted to the Swedish Planning Company of Northumberland county.

The matter of a number of applications for purchase of crown lands was considered, but the government refused the applications in most cases, having laid down the policy of not parting with crown lands except to bona fide settlers.

An application was made by Thomas Malcom, contractor for the construction of the International railway, who stated that several hundred people are being brought here from England to work on the railway and are desirous of knowing if they can obtain lands for settlement along the line of the railway.

The premier was appointed a committee to inform the applicants that suitable lands adapted to agriculture would be surveyed and allowed to be taken under conditions of settlement under the act.

Dr. Sprague delivered a very impressive address on the words, "It is appointed unto all men once to die." The speaker dwelt on the views of death entertained by the most enlightened of the pagan world, and then to the Christian, although it is also the end of all physical life, it is but the beginning of life and immortality.

Continuing Dr. Sprague said: "Such a glorious transition to the departed brother last Sunday night. He departed himself to God in youth and made the pilgrimage of life in the companionship of his dear wife and his dear children."

ACCIDENT AT WOODPOINT

Inspector Carter has named May 17 as Arbor Day, and May 23 will be Empire Day in the schools.

In a lumber camp near Woodport, Monday, John McLean, of P. E. Island, gashed his right foot deeply with an axe. He is now in the hospital here.

Mrs. John D. Kelly and family, of Fairville, desire to thank their friends and acquaintances who have in so many ways expressed sympathy for them in their great sorrow.

The receipt of late Georgetown, British Guiana, papers from Sir Daniel Morris, C. M. G., imperial commissioner of agriculture for the West Indies, is acknowledged with thanks.

People from river districts in the city yesterday said that while it is possible for small boats to get as far as Carter's Point by a narrow channel running through the ice from the open water several miles below, the ice above the point is still solid.

Mrs. A. Pauline Scovil, secretary of the N. B. Tourist Association, who attended the Sportsmen's show in New York City, returned home yesterday.

The official staff of the Eastern Canadian church has been increased by the addition of an eastern secretary of Epworth Church affairs, who will take up his residence in this city.

Last evening the river at Indiantown was full of floating ice, some of the cakes being fully 40 feet long and about two feet in thickness.

Victor du Bruiel, one of the fair wages officers of the Provincial Hospital, Ottawa, is in the city. He said he was sent here to arrange a fair wages schedule in connection with the double tracking of the I. C. R. from this city to Hampton.

Having devoted themselves to missionary work in the New Hebrides, Ewen G. McAfee and his bride left for Vancouver Thursday on their way to their chosen abode.

The girders for the new Wall street and Stanley street bridges across the I. C. R. tracks, have arrived. It was decided some time ago to replace the old structures.

The death of Frederick B. Stephens occurred Wednesday in the General Public Hospital. He had been taken to the institution from his home last Sunday, suffering from pleuro-pneumonia, but a fatal termination to his illness was not expected.

On Monday afternoon, near Plumewep, forty-seven miles east of St. John, the Pacific express, due here at 6:40, ran over a piece of iron about one inch in thickness which was lying across the rails.

THREE PEOPLE PERISH IN MONTREAL FIRE

(Continued from page 1.) men from the street, managed to escape in this way and there were several instances of heroism on the part of helpers who climbed the iron ladders through binding smoke and flame to help the rescue the women on the top story. But so furiously did the fire rage that before the people could even get out of the building there were two bodies.

The fire broke out on the ground floor, which burst the roof ceiling and at once the flames burst out of the second story and windows were blazing in order to escape was useless. By this time the firemen arrived, and several of the men tried to climb the fire escapes to help the shrieking and diving women above.

Nothing could be done to save the imprisoned people until the extension ladders arrived except to get the life nets thrown over the side. A sub-committee was appointed to consider the question and confer with Dr. Anglin on the subject.

The government also met as commissioners of the Provincial Hospital, and disposed of a number of matters, among them the settlement of the salary of the medical superintendent Dr. J. V. Anglin in view of the order of the legislature that the public works committee made at the recent session of the legislature that a fixed sum be provided in view of an allowance for living expenses. A sub-committee was appointed to consider the question and confer with Dr. Anglin on the subject.
