 To check a cold quickly, get from  
 your druggist some little Candy Cold  
 Tablets called Preventics. Druggists  
 everywhere are now dispensing Preven-  
 tics, for they are not only safe, but  
 decidedly certain and prompt. Pre-  
 ventics contain no Quinine, no laxative,  
 nothing harsh nor sickening. Taken  
 at the "sneeze stage" Preventics will  
 prevent Pneumonia, Bronchitis, La  
 Grippe, etc. Hence the name, Preven-  
 tics. Good for feverish children. 49  
 Preventics 25c. Trial Boxes 5c. Sold  
 by all dealers.  
 W. P. Cullen's great revival of  
 Pixley & Luder's masterpiece of musi-  
 cal comedy, "The Bugmaster," will  
 be the hit at Opera House Brockville,  
 Dec. 5th. Gus Weinburg and Ruth  
 White, the originals in the leading  
 roles of Peter Stuyvesant and Willie  
 Van Astorbilt, will play their old  
 parts and will be supported by a com-  
 pany of 50 people. The costumes are  
 especially handsome this year, and the  
 production is new. Much that is  
 novel has been installed in the way of  
 electrical effects. Some of the scenes  
 are revised, and the dances are all  
 new. The chorus is said to be one of  
 the strongest singing aggregations on  
 stage.

A vote for the repeal of local option  
 will take place in the village of Cardin-  
 al in January. The fact that liquor  
 could be ordered and obtained from  
 Prescott, through the stage driver, nulli-  
 fied to a considerable extent the pro-  
 hibitory enactment.  
 The recent enlargements of "Brock-  
 ville's Greatest Store" has not given  
 the firm all the room they require, and  
 a great "Space making" sale is now in  
 progress and will be continued until  
 the end of the month. The low prices  
 asked, even for staple goods, are a  
 pleasant surprise to customers.  
 —Mr W. B. Percival has secured the  
 agency for the famous Sharpes Separator,  
 and it is proving very popular  
 wherever introduced. Simple in con-  
 struction, easy to operate, easy to clean,  
 a very close skimmer—it always delights  
 both the farmer and his wife after a fair  
 trial. Placed in competition with  
 other machines, it invariably wins the  
 preference. All interested should call  
 and inspect it.  
 All who heard the Rev Beshart  
 recently in the Methodist church where  
 he gave two most interesting sermons,  
 will be glad to learn that we are to  
 have the privilege of listening to him  
 again. The W.M.S. have secured him  
 to give his popular and instructive  
 talk on China. This will be illustrated  
 by fine light views of the Flowery  
 Kingdom. Many curios will also be  
 exhibited. The entertainment will be  
 in the Methodist church on Thursday  
 evening, Nov. 21st, at eight o'clock.  
 Admission,—adults, 15c., children  
 under twelve, 5c.

A tickling cough, from any cause, is  
 quickly stopped by Dr Shoop's Cough  
 Cure. And it is so thoroughly harm-  
 less and safe, that Dr Shoop tells moth-  
 ers everywhere to give it without  
 hesitation even to very young babes.  
 The wholesome green leaves and tender  
 stems of a lung-healing mountainous  
 shrub, furnish the curative properties  
 of Dr Shoop's Cough Cure. It calms  
 the cough, and heals the sore and  
 sensitive bronchial membranes. No  
 opium, no chloroform, nothing harsh  
 used to injure or suppress. Simply a  
 resinous plant extract, that helps to  
 heal aching lungs. The Spaniards call  
 this shrub which the Doctor uses, "The  
 Sacred Herb." Demand Dr Shoop's,  
 Take no other. All dealers.
