CURE FITS!

When I say I cure I do not mean merely to stop them for a time and then have them return again. I mean a radical cure. I have made the disease of FITS, EPILEPSY or FALLING SICKNESS a life-long study. I warrant my remedy to cure the worst case. Because others have failed to do so, I have not been content with a cure. I have cured once for a lifetime and a Free Bottle of my Infallible Remedy. Give EXPRESS and POST-OFFICE.

JUST IN TIME

YORKVILLE AVENUE, TORONTO, OCT. 29, 1891.

For the benefit of those who see nothing but suffering and death before them I wish to say there is hope for you yet. I have been in a like condition myself and owe my restoration to health to the ever reliable HISTOGENETIC REMEDIES. Last Spring I was utterly prostrated by a severe attack of la grippe, which resulted in bronchitis and other serious complications. When my case seemed perfectly hopeless, my friends decided to try the Histogenetic Remedies, and in less than three days a change for the better was so apparent that we were all inspired with hope. I continued the treatment for a number of weeks, progressing slowly but surely day by day. I am now comfortably well and am still gaining in strength and power of endurance, and am a wonder to those who knew how hopeless my case was. To show my gratitude to Dr. J. Eugene Jordan for his wonderful remedies and to my Heavenly Father for commanding His blessing to rest upon them, I take this way to let all afflicted ones know where they may find help in time of trouble.

MRS. H. P. SNOW.

I can vouch for the truthfulness of the above statement. P. S. CAMPBELL, McMaster University.

CEYLON TEA COMPANY

WHAT?

"THE TIMES" OF CEYLON Says of this Company, May 4th, 1889.

"We are asked by a Correspondent, 'Which Company for the sale of Ceylon Tea at home, does the largest business?' and we really do not think that anybody can answer this question. In all probability, the Ceylon Tea Growers, Limited (Khangani Brand), sell more Tea than most, seeing that they have no less than one thousand Agents in Great Britain alone, and, in the course of twelve months, must sell a very large quantity of Tea."

This is indisputable evidence that this Company is a GENUINE CEYLON TEA COMPANY.
