Matter for publication should be addressed to Edgar M. Zavitz, Coldstream, Ont. Business letters to the Treasurer, Coldstream, Ont. The name of an author must accompany the article sent for publication, as a guarantee of good faith.

We do not hold ourselves responsible for the views expressed in communications over the name, initials or other characters representing the contributor.

We prefer that remittances be made by post-office order or express order, drawn payable at London, Ont. If bank drafts are sent from the United States they should be made payable at New York or Chicago. Postage stamps (American or Canadian) are accepted for change. Money sent by mail will be at risk of sender, unless registered.

Chappaqua is the place where the First-day School General Conference and the Philanthropic Union are to meet this year. It is also proposed to hold a few sessions similar to the Denominational Congress of 1893, at Chicago. We heartily endorse this movement. We believe that if the present light and leading of our Society were lived up to, we would feel in it the pulsings of a new life that would wax stronger and stronger until all our mournful retrospects would be replaced by hopeful prophecies and grateful realizations.

The Plebiscite vote, taken in the Province of Ontario on the 1st inst.,

was a decided victory for Prohibition. The majority in favor of Prohibition will probably be not far short of 100,000. We hope to be able to give some interesting facts in connection with the vote in our next number.

We ask our readers everywhere to co-operate with us at this time in increasing very largely the circulation of the REVIEW. There should be no difficulty for very many of our readers to send us at least *four* names for \$3. For each club of *eight* yearly subscribers we shall send a *free copy* to the sender of club. We believe our former club-raisers will this year enter upon the work with renewed energy and success. You have done much to make the REVIEW successful, but your renewed efforts are doubly needed now. Remember, as soon as we reach 2,000 regular yearly subscribers, we have promised to send out a twenty-page paper each time, at 75c. a year. *Now is the time to work.* Let no break occur. We shall send out hundreds of sample copies, which will make the work easier. In remitting, follow instructions at head of editorial page. Money sent by mail is seldom lost, but unless registered will be at risk of sender. Post-office or express orders, made payable at London, Ont., are perfectly safe, and are preferred by us.

We desire to ask our friends of Genesee to make a special effort at this time to place the YOUNG FRIENDS' REVIEW in every Friend's and friendly home within the limits of Genesee Yearly Meeting. Friends of Genesee should take an especial interest in the success and growth of the REVIEW. Many Friends in all the other Yearly Meetings are doing whole-souled work for the REVIEW, and there are many homes within our limits in which no Friends' paper is taken. This should not be the case. South Farmington has set a worthy example.
