

(of which he is a Fellow), and to the Proc. of the Am. Inst. of Min. Engrs., the Can. Inst., etc. He took a 1st class cav. cert. at the Mil. Sch., was gazetted lieut. G.-G.'s Body Gd., May, 1884; capt., May, 1889; and adjt., Aug., 1889. He served throughout the N.-W. rebellion, 1885 (medal), on which occasion he commanded the detachment of his corps which tracked and captured "White Cap" and his band of Sioux Indians, the only band of Indians who were run down during the rebellion. He was elected the first Presdt. of the Ont. Rugby Football Union, and also of the Can. Rugby Football Union. Politically, a Con., he warmly advocates inter-imp. preferential trade, and was the mover of the first resolution on the subject in the Can. League. In 1882, and in Sept., 1886, he unsuccessfully contested Haldimand for the Ho. of Commons in the Con. interest. In religion, an Ang., he m. Margt., dau. of the late Robt. Simpson, Toronto.—*Toronto; Toronto Club.*

"One of the best known and most prominent mining engineers and metallurgists on this continent."—*Globe.*

METZLER, William Henry, educationist, is the s. of Geo. F. Metzler, a native of Frankfort, in Germany, by his wife, Anna Shannon, of Kingston, Ont., and was b. at Odessa, Ont., Sept. 18, 1863. Ed. at the Port Dover High Sch., at Albert Coll., at Victoria Univ., Cobourg, at Toronto Univ. (B.A., with honours in Math., 1883), and at Clark Univ., Worcester, Mass. (Ph.D., 1892), he also took a course at the Training Inst. for Teachers, at Kingston, and was granted a teacher's cert. with specialist's standing in the 2 depts. of Math. and Nat. Science. Apptd. Science Master in the Coll. Inst., Ingersoll, 1889, he was Fellow in Math. in Clark Univ., 1889-92; Instructor in Math., Mass. Inst. of Tech., Boston, 1892-94, and Prof. of Math. in Genesee Wesl. Semy., Lima, N.Y., 1894-95. In the latter year he was apptd. to his present position, Prof. of Math. in Syracuse

Univ., N.Y. He has greatly distinguished himself as an original investigator in his favourite science, and is the only Can. who has been elected a mem. of the London Math. Soc., an honour conferred in recognition of his peculiar merits. He is also a mem. of the Am. Math. Soc., and of the Brit. Assn. for the Advance. of Science. The results of his investigations have been embodied in papers contributed to the *Am. Journal of Math.*, the *Annals of Math.*, and the *Tech. Quarterly*. A mem. of the Meth. Ch., he is bound to no political party, though an ardent Free Trader. Hem. Jan., 1890, Miss Augusta E. Philp, Dundonald, Ont.—*Syracuse Univ., Syracuse, N.Y.*

MEYER, Charles Conrad, Consular service, is the s. of the late Chas. August Meyer, by Anne Christensen, his wife, both formerly of Lemoig, Denmark. B. in Lemoig, Oct. 29, 1864, he was ed. at Nestoed High Sch., and accompanied his father to Ottawa, 1891. He has been a journalist since 1884, and, in 1893, founded, at Ottawa, the *Danebrog*, the only Danish-Norwegian newspaper published in Can. Besides editing this paper, he has written and published a Danish grammar, a "Handy Interpreter," and a pamphlet for the promotion of immigration from Denmark. He is Presdt. of the Ottawa Danish Soc., and, in 1893, was apptd. Vice-Consul for Denmark at Ottawa.—*28 Florence St., Ottawa, Ont.*

MIALL, Edward, Can. civil service, is the s. of the late Edward Miall, M.P. for Bradford in the Eng. House of Commons, and ed. of the *Nonconformist*, and was b. in Leicester, Eng., Dec. 24, 1838. Ed. in Eng., he came to Can., 1859, and lived for some yrs. at Oshawa, Ont. Entering the C. S., 1870, he was apptd. Asst. Comnr. of Inland Revenue, 1872, and became Comnr. of Inland Revenue and Comnr. of Standards, which positions he continues to hold, Jan. 26, 1883. Mr. M. rendered valuable services in connection with the Halifax Fishery
