ACT *now!*

Anti-Cutbacks Team (ACT)

**STOP
THE CUTS**

YOUR TUITION FEES HAVE INCREASED BY 10%.

The provincial government has cut back funding to education and your tuition fees have increased. Science and Arts supplies have become more expensive. The libraries periodical budget has been reduced by \$250,000. The information you need for research will be unavailable. Classes have become even more crowded. In short, the quality of education has gone down! Concerned! You should be! Education is the building block of a competitive and progressive society. Funding education is the best way to ensure that Alberta's future is secure.

Do you want to do something about this situation?

The Anti-Cutbacks Team (A.C.T.) needs YOUR participation!

The Anti-Cutbacks Team is a Students' Union Organisation assigned the responsibility of addressing the following issue areas:

- Quality of Education
- Accessibility of Post-Secondary Education
- Funding to Post-Secondary Education

WE NEED YOUR HELP!

ACT is holding general elections. The following positions will be open:

- PROGRAM CO-ORDINATOR
- RESEARCH CO-ORDINATOR
- MEDIA CO-ORDINATOR
- SECRETARY/TREASURER

Come out, to Room 0-34 SUB at 7:00 P.M. on September 30.

You can make a difference!
