

Curling playoff this week

by B.J. Jones

Now that the Nova Scotia Consols are over, attention is again being turned to Collegiate Curling. Many of Dal's curlers played in the Consols with their respective club teams and one even made the final sixteen. The playoff for the Dal team was held this week and the winning team consists of skip

Bruce MacArthur, mate Doug Caldwell, second George Haughan and Lead David Wallace. Bruce set some sort of record in this playoff, in that he only had to throw two rocks to win it. We wish them the best of luck at the Intercollegiate, to be held at Mount Allison, Feb. 26th-28th. The latest report has it

X drops Tigerettes 70-43

by J. Webb

Last weekend the Dalhousie Tigerettes suffered their fourth loss of the season when they travelled to St. F.X. The X girls got off to a fast start taking a quick 13-4 lead. Bad passes and bad defence by the Dal squad gave St. F.X. great scoring opportunities which they took advantage of, thus leaving Dal trailing 38-17 at the half.

The second half was similar to the

first, with Dal continuing to have trouble getting the ball in the hoop. Poor rebounding and bad offence resulted in X gaining the ball and fast breaking numerous times. Final score 70-43 in X's favor. A 20 point effort by Heather Shute led the Dal team in a losing cause.

This weekend ends the regular season play for the Tigerettes when they travel to Acadia on Friday and Host U de M Sunday, February 22 at 2:00 p.m. in the Dal Gym. To date the team has a 12 win 4 loss record, being beaten by UNB twice, St. Mary's once, and St. F.X.

that Coach Penny LaRocque will be accompanying the team to Sackville and we wish her lots of luck too.

Over the weekend, two of our women's teams were in a bonspiel at C.F.B. Halifax, and both teams picked up prizes in the one day event. The Dal women's team has been chosen and consists of skip, Gail Bates; mate, Lorraine Stevens; second, Virginia Jackson; and lead, Barbara Jones. We have been very fortunate to have Peter Hope as our speaker at the Women's Intercollegiate Banquet. Besides being a winner of several Purple Hearts, Hope has been chosen as the Maritime representative to skip at the Competitive Curling Championship being held out West later this year. Any Dal members who would like to attend this banquet, for a nominal fee, are asked to contact the executive. The Intercollegiate will be held at C.F.B. Halifax, from March 11th to 13th and all are invited to come and watch.

Tickets available

Saturday, Feb. 28 - 1 p.m. Game 3 - Consolation; 3 p.m. Game 4 - Championship.

Ticket Prices

Opera and Rinkside - \$4 / day, Package (4 games) Opera and Rinkside - \$6, General Admission (benches) \$2 / day, Package (benches) - \$3 (4 games).

Tickets are also available at the Forum box office.

You want to change the system.

But you don't think you have the bucks.

The system in question is your present stereo.

What's happened is that you've developed a more discriminating ear.

What once sounded terrific suddenly doesn't sound so hot.

And what never sounded — like the sibilance way behind the rhythm guitar — is now a veritable pain in the cochlea.

You're ready to upgrade. But your worry is that moving from stereo to true high fidelity is awfully expensive.

Well, it can be. But it doesn't have to be.

Hitachi has just brought a new line of equipment into Canada.

Good-looking, contemporary, high quality, high fidelity.

With specs you'd expect to find at a much higher price.

The name of this new line is Lo-D, the result of over three years research that speci-

fically focused on the listener and his needs. (What is the range of his hearing? Is he capable of catching the lowest and highest notes? Or is he limited to the middle range?)

Hitachi scientists measured these individual listening reactions by testing over 5000 people in Hitachi's sound labs. Then, the results were mathematically tabulated and converted into a unique Sound Design chart.

Called ESP for its investigation of Emotion, Sensation and Physical Characteristics, the Hitachi hi-fi report was the genesis of Lo-D.

When you hear its brilliant sound, and look at its brilliant price, you'll discover Lo-D is quite an achievement.

The kind of achievement that suddenly makes it easier for you to improve the system you're living with now.

The kind of achievement that has made Hitachi a world leader in electronics.

D-3500 Advanced Stereo Cassette Deck w/ 3 Head Performance, D Dolby* Off-tape monitoring, S Nw Dolby: .63 dB Wow and Flutter: 0.05% (WRMS)

SR-802 AM-FM Stereo Receiver w/ OC1
Capacity 50 W x 2 - 7 dbm
(20/20,000 Hz 0.5% THD)
