# SNOW EMERGENCY

Members of the community at the York Campus are advised that when a Snow Emergency is declared by Metropolitan Toronto or when it is apparent that weather conditions at the University are such as to necessitate snow clearance on the roads and in the parking lots, the following restrictions on parking will be imposed in order to facilitate snow removal:

- (1) curb parking will not be permitted in the peripheral (unreserved) lots;
- (2) between midnight and 8:00 a.m. no parking will be permitted on any campus roads including those where parking is normally allowed (eg. Ottawa Road and the road adjacent to the Temporary Office Building)\*; and,
- (3) between midnight and 8:00 a.m. no parking will be permitted in any reserved area (excluding HH lot)\*.

The above measures are necessary to facilitate the most efficient use of snow removal equipment to ensure that roads and parking lots are properly cleared before the commencement of classes in the morning. The degree of co-operation and good judgement shown by all members of the community, especially those in residence who park overnight on campus, will determine the effectiveness of the snow removal programme, which is of importance to all drivers on campus.

**J.W. SANTARELLI**  
Director of Safety and Security Services

(Note: \*The University reserves the right to suspend parking temporarily in any area for emergencies; York Campus Parking and Traffic Regulations 1984/85.)
