J. P. Morgan, Esq.,
41 Wellington St. South,
Hamilton, Ont.

Dear Mr. Morgans

Many thanks for your letter of congratulation. It would be vain for me to comment on the result as it will be known long before my letter reaches you. However the Conservative party has reason to be proud of its campaign and has waged a straightforward, clean campaign.

I shall bear in mind the representations you have made with regard to your appointment as a sessional writer.

Yours very truly,
