

(4) Control of the air bases shall be handed back to the Newfoundland Government on the termination of hostilities.

(5) Control over the Newfoundland airport area vested in the Commissioner for Public Utilities by Act number 19 of 1938 shall not be affected.

Amend  
see tel  
#2  
b3

(6) (A) Newfoundland personnel will be employed and  
So far as practicable: (B) the present staffs at the air bases will be retained in employment

(7) Materials manufactured or produced in Newfoundland and sold at competitive prices will be given preference.

(8) The facilities at the air bases including the civil hangar at the Newfoundland airport will continue to be made available as required for British civil aircraft operating across the North Atlantic or undertaking local flights and plans for delivery by air of military aircraft across the Atlantic will be facilitated. The Canadian Government will not object to the provision of suitable ground space as required for the erection at the expense of the United Kingdom of accommodation for aircraft and personnel.
