March 2nd 1874

Gentlemen.

Referring to your letter of the 23rd inst. I have the honor to inform you that by letter of the 1st inst. last, Mr. C. Macdougall, Barrister of Montreal, raised an objection on behalf of Mr. John Murray to the issue of a patent for Black's Improved Saw-ship of Canada. Mr. Macdougall will, however, be advised forthwith that he must, by the 1st inst. show sufficient cause for its delay - otherwise a patent will issue.

I have the honor to be,

Gentlemen,

Your ob^d. Servant,

J. Macdougall

Deputy of the Registrar of the Interior

H. C. Morrison, Wells
Gordon,
Barrister at Law,
Toronto.
