12th Nov. 8.

Sir,

With reference to the complaint prepared in your letter of the 1st ult. to the effect that your garden is destroyed through a stall having been erected thereon without your consent, I have to inform you that Mr Agent Van Abbott reports that the stall was built with his consent, for the use of the issues of the store; and that, at the time it was built, the land on which it stands formed part of a Common, which was afterwards found
