

statement returned to the
Department with your
report thereon

The Leases at present
in your hands should be
executed by the Tenants and
returned to the Department
with the least possible delay
as well as any agreements
for Lease which have not been
forwarded by you. And in this
connection I have to inform
you that in no case should
land be leased without the
usual agreement being first
sent to the Department and
its approval of the lease obtained.

The Department has allowed
the advances made by the
Tenants
