Ottawa, 26th November, 1901.

Sir:-

I enclose herewith copy of an Order in the matter of the estate of Michael Kewageshig deceased, with copy inventory annexed. Please govern yourself in accordance with the Order. I have to point out that it would have been proper to furnish with your letter of the 12th ult. some information as to the location of the deceased, showing the quantity of the land, the nature of the improvements and its value. The Order has been made without this information because of the necessity reported by you for an early sale of the chattels contained in the inventory. You will, however, please furnish, at your earliest convenience, the information omitted.

Your obedient servant,

Secretary.
