Ottawa 24th March, 1903.

With Cheque.

Sir,

With reference to your letter of the 9th instant, regarding the last distribution of interest money to the Chippewas of Rama, and the deductions made from the shares of certain Indians on account of their respective indebtedness to Messrs Myers and Gillespie, I have noted that you say that No 43 has over paid 30¢ on Mr Gillespie's account. As you are aware you were short 10¢ in making your returns of the distribution. I therefore enclose herewith cheque No        for 20¢ in refund of the amount over remitted, less the ten cents referred to. The shortage in your return was due to an error in addition.

Your obedient servant.

Secretary.
