

I99 477-

Ottawa, 2nd May, 1907-

Gentlemen,

In reply to your letter of the 24th Ultimo, requesting on behalf of Mr. John A. Milne, that separate Patents issue to him for Lots 3 & 4, Con. 4, & 2, 3 & 5, Con. 5, Billings, which he is entitled to purchase under Section 6 of the Regulations of the Department, I have to inform you that no Returns of Sale of these Lots have yet reached the Department, and the Sales have therefore, not been entered. As to the question of issuing separate Patents, I may state that in view of the very low price at which these Lots are offered to Mr. Milne, the Department is not disposed to comply with his request, should he purchase the Lots, by issuing separate Patents.

Your obedient servant,

Secretary-
