Ottawa, 3rd April, 1915.

Rev. Sir:-

Referring to your letter of the 13th ultimo, I beg to state that the Department does not know where the medical book asked for, "Domestic Medicine & Hygiene" by Dr. Russell, can be procured.

The Department has however been supplying dispensers of medicines with a very good English work by Mrs. Wheeler and Jack entitled "Hand book of Medicines", which appears to give satisfaction.

A copy of this work has been ordered to be sent you by mail by The Rev. J.P. Harts Co., Limited of Toronto.

Your obedient servant,

For Asst. Deputy and Secretary.

Rev. Ph. Geelen,
Asst. Principal,
Indian Boarding School,
Fort Alexander, Man.
