A BRIGHTER DAY.

Hymn 8.

72 Canadian S.S.H.

- 1 "Lift your heads" with faith the morrow
Dawneth brighter than to day;
Angel hands will lift the shadows,
Chase the gathering gloom away.

Chorus—"Lift your heads," the day is breaking,
Soon the morning will appear:
See the earth from slumber waking;
"Lift your heads," the day draws near.

- 2 Art thou lonely, sad, and weary,
Watching through the silent night?
Dry your tears, the orient glistens
Like a thread of silver light.

- 3 Does the night seem long and weary—
Dangers threatening long the way?
Joy will soon return to bless thee,
Soon will dawn a brighter day.
