PRICE LIST OF YOKE OR STRAP.

BUTLER DRAWBAR ATTACHMENTS.

A set of No. 66 consists of two No. 1 thimbles, two No. 2 thimbles, and four No. 66 cases, intended for 6x6 double coil springs. Price per set, including royalty, \$6.75

A set of No. 67 consists of two No. 1 thimbles, two No. 2 thimbles, and four No. 67 cases, intended for 6x7 double coil springs. Price per set, including royalty, \$7.00

A set of No. 68 consists of two No. 1 thimbles, two No. 2 thimbles, and four No. 68 cases, intended for 6x8 double coil springs. Price per set, including royalty, \$7.25

Two cases in position measure nine inches horizontally. Circle inside cases will admit outside coil of 6 1/2 inches diameter. (See opposite page for details and application.)

We have calculated 1/4 inch spring compression in all our standards.

Over one hundred thousand sets now in service in the United States. Castings guaranteed for one year from date of application. Covered by patents.
