

# The Farming World

A PAPER FOR  
Farmers and Stockmen

## WE WISH

we could make everybody realize what a wonderful improvement the

## "Cushion Frame"

feature really is. It is to the old style rigid frame what the pneumatic tire was to the solid tire. It prevents jolts, jars and vibration, and one can ride

fifty miles on a cushion frame bicycle with less fatigue than in riding twenty-five miles on an ordinary rigid frame bicycle.

You can get this feature in connection with the Cleveland, Brantford, Massey-Harris and Perfect Bicycle.

## Money Easily Made..

**IS THE POULTRY ON YOUR FARM A PAYING DEPARTMENT? IF NOT, WHY NOT?**

We all know that it is absolutely necessary to continually bring in new blood if we wish to make a success of breeding any live stock on the farm. This rule applies to your poultry just the same as any other department; and for this purpose we make a special offer to farmers by offering them settings of eggs from our magnificent stock of White Wyandottes, Barred Plymouth Rocks and White Leghorns at very reduced prices. All our original stock was imported from the best breeders in the United States, and our present stock is second to none in Canada. Good healthy thoroughbred birds improve the look on the farm, bring more money into your pocket, and they mature earlier, lay many more eggs and demand a far greater price either dead or alive, and they do not cost a cent more to feed than mongrel stock.

**Wyandotte Eggs, per setting . \$1.50**  
**S.C. White Leghorn Eggs, per setting \$1.50**  
**Barred Plymouth Rocks (Hawkins' Strain) \$2.00**

We are willing to give farmers any information that we can in reference to their poultry, and all letters will be willingly answered. Address—
