Times Are Changed...

There is very little profit for the farmer raising hay or grain as principal crops.

There is a fortune in raising stock of all kinds if properly done.

You lose one third of the value of your grain if you feed it whole.

Perhaps you get yours chopped, but why not chop it yourself?

By arrangement with the oldest manufacturers of grain grinders in Canada, we are enabled to furnish our subscribers with a fully guaranteed machine at a special price for cash, or on small monthly payments.
