are running except Wyoming, the trouble here being lack of feed. The best in the year. Bill Fleming is the order of the day and is of as much importance here as throughout the rest of the farm. There is a great unrest among the farmers in the West. They are anxious to get out in the country on a small piece of land. Indications point to brighter prospects in the small villages, but duller in larger places. Great interest was shown in this county over the Hanna trophy given to the farmer producing the best four acres of corn. The trophy given to the farmer Wark of this township, was seven and one-half points ahead of his closest competitor. He is an old A. C. boy and his family are leaders here. His brother-in-law, W. L. Leaman, is a credit to this part of the county-D. N. C.

SPRINGFIELD CO. MAN. DUGALD, Oct. 12-Threshing was all done a week ago. What is a fair crop? Potatoes good; mangolds and corn fodder good. All roots are in and growing well advanced. Stock are still feeding in pasture, which is green; very little frost so far. The lot of rain we have had this fall, milk and cream prices have been low. Summer but not improving now-T. F. F.

SASKATCHEWAN QU'APPELE CO. SASK. QU'APPELE CO., Oct. 12-Threshing was practically completed three weeks ago, and most of grain has been shipped out. Feed grains are on short side and fodder will be none too plentiful. Straw this year is of poor feeding value. It has been wet for the past week, with traces of snow this last two days. Frost has been extending light this season, and much green stuff is still living. Potato crop good to very poor-R. H. O.

NOTICE TO STALLION OWNERS Inspection of stallions under the Ontario Stallion Law commenced Wednesday, October the 14th. The inspectors meet the stallion owners at a number of inspection points, which inspection points are set forth in a pamphlet furnished to all owners of enrolled horses and to all those applying for same. This is the official inspection of stallions which will enable them to be enrolled for the season of 1915, and prospective buyers to be cautioned against purchasing stallions that have not been officially inspected, and are, therefore, not eligible for enrollment in 1915.

OPPORTUNITY FOR SEED GROWERS The Ontario Provincial Winter Fair, which is held at Guelph early in December each year, has many excellent educational features, one of the most valuable being the seed exhibit. During the past few years this department has grown rapidly, and the interest taken in it has constantly increased. Its value has been recognized by the management, and this year increased space has been allotted, the prize list has been provided and the more classes have been increased by about 25%.

This offers an excellent opportunity for all farmers who have good seed for sale to advertise and compete for prizes. Those who send creditable entries representing larger lots held for sale will have a good chance to dispose of their seed to advantage-T. G. Raynor, B.S.A.
