## GOSSIP

FARROWED 63 PIGS IN 16 MONTHS.

Editor "The Farmer's Advocate":

Having noticed some records given in "The Farmer's Advocate" of good brood sows, I may say we have one Yorkshire grade which farrowed 63 pigs in 16 months, out of which she raised on an average of 13 in each litter. The other 11 were all fullgrown, only she could not nurse them all.

G. A. BRODIE'S CLYDESDALE SALE.

The many Clydesdale filly sales that have been held in Ontario in the last few months have demonstrated that the farmers are awake to the fact that nothing will pay them better than a choice Clydesdale filly or two for breeding purposes, and while the prices paid have been barely sufficient to pay the importer for his time and risk, yet we feel safe in saying that the main object of these men is to increase and improve the stock of good breeding mares in the country, and to hasten Canada on to what she is destined to be, the greatest stock-producing country in the world. And we cannot help but think that it is the duty of our thousands of well-to-do farmers in Ontario to pay these men a reasonable profit, a profit at least sufficient to encourage them to go on in this greatly-needed work. Mr. Geo. A. Brodie, of Bethesda P. O., Ont., has lately arrived home with his second importation this season. The apdity with which his first importation sold showed that he brought over the kind the people were looking for, and the Scottish Farmers, speaking of his importation, says they were one of the best, if not the best, lot that left Scotland this year. Mr. Brodie has now on hand 45 fillies and two stallions. The stallions are: Baron Hugo, a brown three-year-old, by Sir Hugo, a son of Sir Everard, and his dam is a daughter of Prince Albert of Rosehaugh, granddam by Macgregor. This is a horse of extra superior quality, with flashy, true action—an all-around cracker. The other is Royal Heir, a bay two-year-old, by Royal Blend, by Royal Favorite, dam by Clan Boy. This colt is comparatively thin, and now weighs 1,750 lbs., and will make a 2,200-lb. horse, and this, combined with the best kind of quality, a smooth, even body and faultless, true action, positively one of the best two-year-olds ever landed in Canada. The fillies are a big, flashy, quality lot, many of them safe in foal; they are from one to five years of age, in good condition. Among them are several well-matched pairs. They are the get of such noted sires as Baron's Pride and several of his sons, Sir Everard and several of his sons, Royal Gartley and several of his sons, Clan Chattan, Moncrieffe Marquis, etc., representing Scotland's richest Clydesdale blood—an essentially high-class lot. On the farm, lot 2, con. 5, Whitechurch, on Tuesday, Jan. 8th, 1907, all these will be sold by auction to the highest bidder. The farm is five miles west of Stouffville Station, on the G. T. R., and two miles east of Gormley Station, on the C. N. R., and five miles east of Oak Ridges, on the Yonge St. Metropolitan Electric Car Line. Conveyances will be at Oak Ridges Hotel at 11 a. m. on day of sale, and at Stouffville and Gormley for morning trains, both north and south. Terms, cash, unless other arrangements are made before sale commences. Don't forget the date, Tuesday, Jan. 8th. Every one of these fillies are right, and will make money for the purchaser, if put to breeding.

## Best for Butter

Windsor Salt will make money for you in two ways.

It makes better butter—richer, tastier. As it dissolves quickly, and works in easily and evenly.

It cuts down your salt bills, because it is absolutely pure, and requires LESS to properly season the butter.

The first trial will prove this. Your dealer has Windsor Salt or will get it for you.
