

SUPERIOR GRAIN DRILLS

Will do good work in any kind of soil. "The Name Tells a True Story." It takes a good drill to meet the seeding conditions of the Northwest, and there is nowhere else on earth where even sowing means so much to the farmer. "The Superior Drill fills the bill" everywhere. No farmer who thinks of buying a Grain Drill should fail to send for a Superior Drill Catalogue and after reading it he will go to his local dealer and insist on seeing the Superior—a Drill that is sold under an iron-clad warranty to be and to do all we claim for it. It costs nothing to get posted. Get the Superior Catalogue.

FRUIT FARM SNAP IN BRITISH COLUMBIA

We have a fine fruit farm of 12 3-10 acres in the well known Kelowna district, 1½ miles from the wharf at Kelowna town and within a quarter of a mile from the railroad siding.

The front half of this land is the finest to be found in this province. There is no stone on the property. The present tenant is making \$1,000 per year from the growing of onions between the trees.

Three-quarters of this land is planted with trees five years old and in bearing. The varieties of apples are the famous Johnathan, Winesap, Delicious, Wagener and Wealth, all of which were selected by the provincial fruit inspector on account of their market value.

This property is now put on the market at \$6,000, with a cash payment of \$2,000. Balance in one and two years. Write at once if you are interested.
