# APPLES

Will you be able to eat them this year? Will you have, when you want it, a crisp and juicy apple? Will you have apples for cooking, apple sauce, baked apples, apple dumpling and apple pies?

Because Apples do not grow on the prairies, United Grain Growers Limited go out every year into the apple market, find the district where crops have been the best, and buy for western farmers the finest fruit to be had. Again this year we are able to offer apples from

## The Famous Yakima Valley in Washington

These are selected and wrapped in paper, and packed in boxes. If you bought U.G.G. Apples last year you want them again this year. If you didn't, you should not delay in making sure of getting them this year. Has your association arranged for a car? Get your name down on the list at once for your share. If your Association has not yet bought let the officers know that you want apples. Get your neighbors to say so too. The Secretary has prices on these apples—prices that mean a great saving to you.

Ask him what is being done to insure you a supply?
