

## SHAKE OFF THAT SPRING FEELING

**DODD'S KIDNEY PILLS WILL DO IT NATURALLY AND WELL.**

**Cause and Cure of the Tired Feeling That is Epidemic at This Season of the Year.**

The spring is here. You can feel it in every part of your body. Your clothes are too heavy and though you are not sick, you are too tired to walk, too tired to work, yes, even too tired to eat.

It's that "spring feeling." Do you know the cause of it? No, all you want to know is how to get rid of it. Well, the explanation and the cure are alike simple.

In the winter you "get used" to the cold, you think. As a matter of fact it is the body that gets prepared. It puts on a fortification of extra tissue that keeps the cold out. In the spring time this tissue is thrown off by the body and if the system is all in good working order, the blood carries away the cast-off tissue, which is in turn filtered out of the blood by the Kidneys, and expelled from the body.

This means extra work for the Kidneys, and if they are at all tired or worn they fail in their work. The result is clogged circulation and that tired spring feeling.

The cure is to tone up the Kidneys with Dodd's Kidney Pills. Dodd's Kidney Pills make healthy Kidneys. Healthy Kidneys quickly cleanse the blood of all impurities and the "spring feeling" is replaced with a vigor of body and buoyancy of spirit that makes work a pleasure.

### PEOPLE WHO FAIL.

The lazy man who allows his faculties to rust, doing as little as possible, allowing ambition, energy, and self-respect to go up, literally and figuratively, in smoke.

The lazy woman who shirks her tasks, whether as wife, or wage-earner, and slips through life as easily as possible.

The lazy young man who gets to the office late, leaves early, and rumbles continually at the firm who employs him.

The lazy young woman who arranges her hair, manicures her fingernails, gossips continually, and takes but a languid and haughty-intest in the wants of the customers.

The lazy person who dishonestly appropriates praise or commendations belonging to another.

The young man who always spends his money before he gets it.

And there are others.

### STATE OF OHIO, CITY OF TOLEDO, Lucas County.

Frank J. Cheney makes oath that he is senior partner of the firm of F. J. Cheney & Co., doing business in the City of Toledo, County and State aforesaid, and that said firm will pay the sum of ONE HUNDRED DOLLARS for each and every case of Catarrh that cannot be cured by the use of Hall's Catarrh Cure. FRANK J. CHENEY, Sworn to before me and subscribed in my presence, this 6th day of December, A. D. 1886.

A. W. GLEASON, Notary Public.

Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces of the system. Send for testimonials free.

F. J. CHENEY & CO., Toledo, O. Sold by all Druggists, 75c.

Take Hall's Family Pills for constipation.

### DISPELLING THE ILLUSION.

Mrs. Goodheart—Oh, Henry! when I gave that tramp a piece of pie he was so grateful that there were actually tears in his voice.

Her Husband—Nonsense! That was only his mouth watering.

### 20 Years of Vase Catarrh.

Chas. O. Brown, journalist, of Duluth, Minn., writes: "I have been a sufferer from Throat and Nasal Catarrh for over 20 years, during which time my head has been stopped up and my condition truly miserable. Within 15 minutes after using Dr. Agnew's Catarrh Powder I obtained relief. Three bottles have almost, if not entirely, cured me." 50c.—73

### FORTUNE-TELLING.

"So you think you could read my future if I would let you hold my hand?" asks the maiden.

"Well, don't you think it shows more consideration for you than to go out and figure on the stars?" he asked.

Ten minutes later he was holding her hand and his own future had been settled.

You can't cure a cough or cold from the outside. You must cure it through the blood.

### ENGULFED IN THE SEA.

Innumerable Fortunes Waiting for You.

Many people have heard of the search made by Greek divers under the Turkish Government, and the treasure discovered in the Russian admiral's ship, sunk at Tcherman at the time of the naval battle of 1770, when the Turkish fleet was completely destroyed.

The search has continued with striking success. These fortunate divers have become rich, but the Turkish Government also has obtained some large amounts, inasmuch as it has reserved for itself the lion's share.

It already has been announced that on the first shipment to Constantinople the divers obtained for their part the sum of 276,000 francs. The daily work of the divers amounts to from 5,000 to 10,000 pieces of gold. A special boat of the Admiralty, manned by officers of the Turkish Navy and by a Government inspector, is stationed continually at this point. Each sack drawn from the water is registered, the pieces counted, and a receipt given to the divers.

It would be difficult to give even a summary of the innumerable fortunes engulfed in the sea. Among others an English barque, which foundered in 1799, off the coast of Holland, had on board ingots of gold and silver valued at about 30 millions, of which a very small part was recovered. The "Royal Charter" went down near the Moelfram with a cargo worth two millions, and of this, as in so many of the other cases, little or none has been recovered.

### CONCERNING CABLES.

Englishmen Control the Largest Mileage.

There are in operation to-day 252,436 miles of ocean cables, of which only 38,797 miles, or about 15 per cent., are owned by governments, the remainder being in the hands of private owners. Englishmen control the first cable line across the Channel between Dover and Calais, on August 28th, 1850—and Englishmen still control a larger mileage than the capitalists of any other country and more than half the total length of the submarine lines.

The British cables that connect London with all parts of the world have a length of 154,099 miles, of which 14,963 miles are owned by the Government. Of the 139,136 miles owned by private companies, the longest mileage is in the Australian and Oriental lines. The Eastern Extension, Australasia, and China Telegraph Company controls 27,609 miles, and the Western Telegraph Company 19,880 miles.

The most important of the British cable lines are the five that stretch across the North Atlantic, and also the first line stretched across the Pacific, which connects Vancouver with the Fiji Islands, Norfolk Island, Queensland and New Zealand, and which was opened on December 8th, 1903. Among the many British lines also are cables to South America and along both of its coasts.

### 60 Specialists on the Case.

In the ordinary run of medical practice a greater number than this have treated cases of chronic dyspepsia and have failed to cure—but Dr. Von Stan's Pineapple Tablets (50 in a box at 35 cents cost) have made the cure, giving relief in one day. These little "specialists" have proven their real merit.—72

Ticket Collector—"How old are you, little girl?" Little Girl—"If the company doesn't object I prefer to pay my fare and keep my own statistics."

### CHEAP ONE WAY RATES TO THE WEST VIA GREAT NORTHERN RAILWAY.

All married women are good listeners—when their husbands talk in their sleep.

### Lever's Y-Z (Wise Head) Disinfectant Soap Powder is better than other powders, as it is both soap and disinfectant.

### POSTAL APPARATUS.

A French postal clerk has evolved a simple apparatus for dispensing with the postage-stamp and enabling anyone to get his letter franked after office hours. The apparatus can be fixed to any pillar-box. A coin is dropped into a slot, the corner of the letter is inserted, and the machine stamps the envelope with the amount paid. All you have to do then is to drop the letter into a pillar-box for collection.

A little Sunlight Soap will clean cut glass and other articles until they shine and sparkle. Sunlight Soap will wash other things than clothes.

### COULD IT BE DONE?

"Before proceeding further with this duel," said one of the principals, "I desire that the right arm of my opponent and myself be measured."

This was done, and it was found that the other man's arm was two inches longer.

"Then," said the objector decisively, "you will all how manifestly unfair it is for us to fight with swords unless I stand two inches nearer to him than he stands to me."

Some women don't care what their husbands say as long as the neighbors don't hear it.

### For Over Sixty Years

Mrs. Wraslow's Soothing Syrup has been used by millions of mothers for their children while teething. It soothes the child, softens the gums, relieves pain, cures the wind colic, regulates the stomach and bowels, and is the best remedy for Diarrhoea. Twenty-five cents a bottle. Sold by druggists throughout the world. Be sure and ask for "Mrs. Wraslow's Soothing Syrup." 22-0

Well—"Jack is always talking to me about the depth of his love." Belle—"The depth wouldn't interest me so much as the length."

Have you Eczema?—Have you any skin disease or eruptions? Are you subject to chafing or scalding? Dr. Agnew's Ointment prevents and cures any and all of these, and cures Itching, Bleeding and Blind Piles besides. One application brings relief in ten minutes, and cures cured in three to six nights. 35 cents.—71

### NOT UNCOMMON.

Hawkins—You look out of sorts, old man. What's the trouble? Parker—Just lost my new silk umbrella.

Hawkins—How did it happen? Parker—Fellow that owned it happened to come in the office and recognized it.

## Baptist Testimony

INSTANT RELIEF FROM COLDS, HEADACHE AND CATARRH.

### REV. FRY'S STATEMENT:

Rev. P. I. Fry, Pastor of the Maple St. Baptist Church, Buffalo, N.Y., says: "I have been greatly troubled with colds, headache and catarrh. I have used Dr. Agnew's Catarrh Powder with best results. In fact it has done wonders for me, and I wish to recommend it to everyone." This remedy is also a perfect specific for influenza. 24 Dr. Agnew's Ointment is without an equal for Skin Diseases and Piles.

A sailor was once asked by a messmate not quite so well up in matters social as himself to explain to him the third figure in a quadrille. "You first of all leave ahead," said he, "and pass your adversary's yards; then in a jiffy regain your berth on the other tack in the same kind of order; slip along sharp, and take your station with your partner in line; back and fill, and then fall on your heel, and bring up with your craft. She then manoeuvres ahead off alongside you; then make sail in company with her until nearly astern of the other line; make a stern board; cast her off to shift for herself; regain your place out of the squadron as best you can, and let go your anchor."
