M. the Parent is the best Medical School! That prolongation which expires by human Beauty is the infallible test and guarantee of all the Remedies directly or indirectly from a disordered state of the System, caused by Impure Blood, Bile or and Morbid condition of the Stomach and Bowels.

DR. HALSEY'S
GUM-COATED
FOREST PILLS,

(A Composition consisting of concentrated vitality.)

These Pills are prepared from the best Stramonium combined with other Vegetable principles of the highest Medicinal virtue. They are warranted not to contain any Mercury or Mineral substance whatever. They purge without griping, nauseating or weakening; can be taken at any time with or without food, change of diet, or exposure to the weather. They never leave the taste or smell of sickness, and are five times more effectual in the cure of disease than any Pills in use.

But a short time has elapsed since these great and good Pills were first made known to the public, yet thousands have already experienced their great efficacy. Invalids given over by their Physicians as incurable have found relief, and been restored to sound and vigorous health from their use.

TO FATHERS OF FAMILIES.

Bile and foul state of the stomach occasion more sickness and deaths in families than all other causes of disease put together. In the latter part of the summer and Autumn, when the stomach is ever prone to become disordered, a few doses of Dr. Halsey's Pills will prevent Fever, Fever and Ague and other dangerous disorders, all proceeding from a bilious and foul state of the stomach. No parent can be so ignorant as not to know the great danger existing from biliousness—no parent would be guilty of causing the

DEATH OF THEIR OWN CHILDREN!!!

Yet thousands of children and adults die every year through neglect of parents to attend to the early symptoms of bile and foul stomach.

Superfluity of bile may always be known by some unfavorable symptom which it produces, such as sick stomach, headache, loss of appetite, bitter taste in the mouth, yellow tint of the skin, languidness, restlessness, or other symptoms of a similar nature. Almost every person is troubled some of the year in some dangerous disorder, frequently terminating in death. A single 25-cent box of Dr. Halsey's Gum-coated Forest Pills are sufficient to keep a whole family from bilious attacks and sickness from six months to a year. A single dose, from 1 to 2, of these mild and excellent Pills for a child, from 2 to 4 for an adult, and from 5 to 6 for a grown person, carry off all bilious and morbid matter, and restore the stomach and bowels to their healthy action, preventing all manner of bile and attacks and many other disorders.

SALTS AND CASTOR OIL.

No reliance can be placed on Salts or Castor Oil. These, as well as all common purgatives, pass off without touching the bile, leaving the bowels costive and the stomach in as bad condition as before. Dr. Halsey's Forest Pills act on the gall ducts, and carry all morbid matter without pain or inconvenience, and leaving the system strong and buoyant, mind clear, producing permanent good health.

Dr. Halsey's Forest Pills are unlike all others. They act directly on those vital organs of the Stomach, Liver, Kidneys, &c., which secrete the fluids of the body and separate the impurities from the blood. While they purge all bilious and morbid matter from the stomach and bowels, they correct and renew the blood, and thereby destroy the seeds of disease. The Forest Pills do not weaken, but give strength and animation to both body and mind. They neither cause griping nor any inconvenience whatever, and the patient is better able to attend to business while under their influence than before taking them. They are mild in operation, yet powerful in restoring health.

The great amount of good these Pills have done for the sick and afflicted have induced thousands to recommend them to their friends and the public. Individuals of worth and integrity in almost every part of the country have testified to the world in favor of their great effects in curing disease.

Testimonial after testimonial showing their great powers of curing in almost every class of disease have been tendered to us by individuals of unimpeached character and respectability. The following testimony is from a respectable and wealthy farmer residing near Utica, New York:—

UTICA, November 9, 1846.

Dr. G. W. HALSEY,—Dear Sir:—I will forward seven more boxes of Forest Pills to the house of ——. I have had much sickness in my family, of Bilious Disorders, and Ague and Fever. In the fall of 1846 two of my sons were taken at the same time with Bilious Fever. In former seasons, when sickness occurred in my family, I had always employed a Physician. But at this time having two boxes of your Forest Pills in the house, I concluded to try them. I gave to each one dose, and after the four hours after I gave to each three Pills more. They soon operated, bringing away much black and green matter. On the following day the fever had left them, and they both recovered without any more medicine. Since this time I have always kept your Pills at hand, and in all cases of sickness we have used them with the most happy results.

(Signed) IRA S. GOODHOE.

NOTICE TO THE PUBLIC.

In 1845 Dr. Halsey's Pills were first made known to the public, under the denomination of "Halsey's Sugar-Coated Pills." Their excellent qualities soon gained for them a high reputation, and the annual sale of many thousand boxes. This great success excited the avarice of designing men, who commenced the manufacture of common Pills, which they coated with Sugar, to give them the outward appearance of Dr. Halsey's, in order to sell them under the good-will Dr. Halsey's Pills had gained by curing thousands of diseases.

The public are now most respectfully notified that Halsey's genuine Pills will henceforth be coated with

GUM ARABIC,

An article which in every respect supersedes Sugar, both on account of its healing virtues and its durability. The discovery of this improvement is the result of a succession of experiments during three years. For the invention of which Dr. Halsey has been awarded the only Patent ever granted on Pills by the Government of the United States of America.

The Gum-Coated Forest Pills present a beautiful transparent glossy appearance. The well-known wholesome qualities of pure Gum Arabic, with which they are coated, renders them still better than Dr. Halsey's celebrated Sugar-Coated Pills. The Gum-Coated Pills are never liable to injury from dampness, but remain the same, retaining all their virtues to an indefinite period of time, and are perfectly free from the disagreeable and nauseating taste of Medicine. In order to avoid all imposition and to obtain Dr. Halsey's true and genuine Pills see that the label of each box bears the signature of G. W. HALSEY.

Reader!!! If you wish to be sure of a medicine which does not contain that lurking poison, Calomel or Mercury, purchase HALSEY'S GUM-COATED FOREST PILLS, and avoid all others.

If you desire a mild and gentle purgative, which neither nauseates nor gives rise to griping, ask for HALSEY'S PILLS.

If you would have the most concentrated as well as the best compound *Sarsaparilla Extract* in the world for purifying the blood, obtain Dr. HALSEY'S PILLS.

If you do not wish to fall a victim to dangerous illness, and be obliged to pay a Physician's bill of 20 or 50 dollars, take a dose of Dr. HALSEY'S PILLS as soon as unfavorable symptoms are experienced.

If you would have a Medicine which does not leave the bowels costive, but gives strength instead of weakness, procure HALSEY'S PILLS, and avoid Salts and Castor Oil and all common purgatives.

Parents, if you wish your families to continue in good health, keep a box of HALSEY'S PILLS in your house.

Ladies, Dr. HALSEY'S PILLS are mild and perfectly harmless, and well adapted to the peculiar delicacy of your constitutions. Procure them.

Travellers and Mariners, before undertaking long voyages, provide yourselves with Dr. HALSEY'S PILLS, as a safeguard against sickness.

HERMAN HAIR.—HYPERION FLUID.—This is a composition admirably adapted to the diseases of the hair, and has the particular merit of being prepared purely from vegetable substances; it is applied to it perfectly safe. How often do we perceive young persons with hair nearly grey, or affected with baldness, arising from inadequate nourishment of the skin of the head, from anxiety, violent grief, and other mental afflictions. By a liberal use of the Hyperion, in a short time they will feel, and perceive, a luxuriant growth will succeed the sprunzel skin; while the *Public Speaker* and the *Professional Singer* will find them invaluable in allaying the hoarseness and irritation incidental to vocal exertion, and consequently a powerful auxiliary in the production of melodious enunciation.

THE PROPHECY FULFILLED.

IN the years of Anno Domini 1849, we promised to the world that we would produce a remedy more than would instantly stop the most severe pangs of pain, and speedily cure the worst diseases.

We have fulfilled our promise to Humanity, and all other institutions for the relief of the sick; to Physicians, Surgeons, and Medical Students, and to Druggists and Apothecaries, we say Ready Relief is a medicine unequalled and unrivalled in the world, and without a parallel in the history of medicine.

We challenge the world to produce any remedy that will more surely, more speedily, more effectually, and more permanently stop that great plague, the Cholera—that in a few minutes is capable of checking the most violent, painful and distressing diseases, and that in fifteen minutes it will relieve the most excruciating pains, and that in a few hours will cure any case of Bowel Complaint, Sick Headache, Dysentery, Diarrhœa, Colic, Spasms, &c.

Ready Relief, in fifteen minutes, cured Tic Doloreux.
Sixty drops has, in twenty minutes, stopped the pains of Neuralgia.
Thirty drops has, in fifteen minutes, cured Wind on the stomach.
Thirty drops has, in fifteen minutes, cured Cholera Morbus.
One application externally has stopped the most painful Rheumatic affliction, and cured Sprains, Strains, and Spasms.
Three applications has cured the Salt Rheum.
Three applications has cured the Rash and Tetter.
Three applications has cured Pimples and Blotches.
Six applications has cured the Ringworm.
Five applications has cured the most painful Swelling.
Six applications, in twenty-four hours, cured Curved Spine.
One application, in 15 minutes, cured the Lumbago.

SOLEMN TRUTH.

Reader, do not reject the statements on account of the above assertions, we state only what it has done, what we know it will do. Therefore, if you suffer pain, give it a trial, and, we feel sure for it, you will become a firm friend of our quick and ready remedy.

ELEGANT AND INVALUABLE
ARTICLES FOR THE TOILET.

BOGLE'S HYPERION FLUID,
FOR RESTORING PRESERVING, AND EMBELLISHING THE HAIR.

The following Certificate, from Dr. Winslow Lewis, one of the most eminent Physicians in America, is but one of many in which it is held by the scientific and learned, being one only of many similar ones.

BOSTON, Feb. 16, 1847.

Mr. Wm. Bogle,—Sir,—The testimonial I have intrusted by you for the hair, has been extensively used in my family, and they give it the decided preference over all other compositions of the kind. It invigorates and beautifies the hair, and cleanses the skin of all impurities, without producing any ultimate deleterious effects, which are so frequently the result of many well-known patented compounds.

WINSLOW LEWIS.

It is an indispensable article for the Ladies, as it keeps the hair in a pliable state, and gives a fine parting of the hair free from dandruff and scurf. For children, it lays the foundation of a good head of hair.

BOGLE'S AMOLE,
A COMPOUND FOR SHAVING.

This delightful article is totally different and far superior to anything yet invented for shaving. The base of it is derived from the Amole, or Soap Root, which grows in an uncultivated state by the natives of that country for washing; and thus the use of strong alkali, so hurtful to the skin, is avoided. Its vegetable and detergent properties leave the pores and skin in a healthy and natural state, and have the greatest and most astonishing effects on the skin,—it soothes and allays irritation, and has a fine, thick, creamy lather, which does not dry on the face. It is a decided preventative against cuts in shaving. Price 2s. 6d. per bottle. It is done up in elegant style, excluded either for the dressing case of the "rough and ready" traveller, or the toilet of the most fastidious connoisseur.

BALDNESS CURED.

The following is from Seymour D. Barrett, Saratoga Street, East Boston.

EAST BOSTON, Feb. 8, 1847.

SIR,—Dear Sir:—For several years past my wife has been troubled with the loss of hair on the top of the head, about six or seven inches in circumference.—After repeated failures of other so-called remedies, and by the advice of friends, she was induced to use your Hyperion, and by the use of it for the purpose of restoring her lost hair, and I am happy to say that its effect has been to cause the hair to grow all over the bald spot, and that very luxuriantly; and she used it oftener and more regular, I am convinced that the growth of the hair would have been accelerated. I am, Sir, yours respectfully, SUMNER F. BARRETT.

BOGLE'S HEBEAIONA,
FOR REFRESHING AND BEAUTIFYING THE COMPLEXION,

Eradicating Tans, Pimples, and other eruptions of the skin, and rendering it soft, delicate, and blooming. It is equally efficacious in protecting the skin from the hot sun of summer, and freezing blasts of winter, and is the most pleasant and delicious article to be used at the toilet of fashion.

All the above articles have stood the test of the strictest investigations, and are WARRANTED superior to anything yet invented.

SCROFULOUS AFFECTIONS, &c.

In all these distressing and prevalent cases, there is no question regarding the efficacy of this Medicine, as eminent Physicians of this city, writes as follows:—

Dr. Sherwood's Galvanic Embrocation,—I regard as the most efficacious of all remedies in Scrofulous affections. One of my children, a daughter of 3 years old, was afflicted with a very inveterate and painful Scrofulous affection, which had continued its ravages nearly two years, various remedies were tried but without effect.—The disease exhibited itself in several distressing cases. Your Galvanic Embrocation was then tried, and very fondly. At this crisis, I commenced the treatment with Dr. Sherwood's Galvanic Embrocation—the only remedy used by consultation, was a decoction of Sarsaparilla, which soon conquered the disease, and a complete cure was effected.

Society at large is indebted to William Bogle, 277 Washington Street, for a series of the most unexceptionable toilet articles ever offered to the public. His Hyperion Fluid is extensively used, and stands at the head of the list of preparations for strengthening and beautifying the hair; his Amole, for shaving, is decidedly the best article of the kind. It invigorates and beautifies the skin, and saves the skin of all impurities, without producing any ultimate deleterious effects, which are so frequently the result of many well-known patented compounds.

The following is from Seymour D. Barrett, Saratoga Street, East Boston.

EAST BOSTON, Feb. 8, 1847.

SIR,—Dear Sir:—For several years past my wife has been troubled with the loss of hair on the top of the head, about six or seven inches in circumference.—After repeated failures of other so-called remedies, and by the advice of friends, she was induced to use your Hyperion, and by the use of it for the purpose of restoring her lost hair, and I am happy to say that its effect has been to cause the hair to grow all over the bald spot, and that very luxuriantly; and she used it oftener and more regular, I am convinced that the growth of the hair would have been accelerated. I am, Sir, yours respectfully, SUMNER F. BARRETT.

BOGLE'S HEBEAIONA,
FOR REFRESHING AND BEAUTIFYING THE COMPLEXION,

Eradicating Tans, Pimples, and other eruptions of the skin, and rendering it soft, delicate, and blooming. It is equally efficacious in protecting the skin from the hot sun of summer, and freezing blasts of winter, and is the most pleasant and delicious article to be used at the toilet of fashion.

All the above articles have stood the test of the strictest investigations, and are WARRANTED superior to anything yet invented.

SCROFULOUS AFFECTIONS, &c.

In all these distressing and prevalent cases, there is no question regarding the efficacy of this Medicine, as eminent Physicians of this city, writes as follows:—

Dr. Sherwood's Galvanic Embrocation,—I regard as the most efficacious of all remedies in Scrofulous affections. One of my children, a daughter of 3 years old, was afflicted with a very inveterate and painful Scrofulous affection, which had continued its ravages nearly two years, various remedies were tried but without effect.—The disease exhibited itself in several distressing cases. Your Galvanic Embrocation was then tried, and very fondly. At this crisis, I commenced the treatment with Dr. Sherwood's Galvanic Embrocation—the only remedy used by consultation, was a decoction of Sarsaparilla, which soon conquered the disease, and a complete cure was effected.

Society at large is indebted to William Bogle, 277 Washington Street, for a series of the most unexceptionable toilet articles ever offered to the public. His Hyperion Fluid is extensively used, and stands at the head of the list of preparations for strengthening and beautifying the hair; his Amole, for shaving, is decidedly the best article of the kind. It invigorates and beautifies the skin, and saves the skin of all impurities, without producing any ultimate deleterious effects, which are so frequently the result of many well-known patented compounds.

STRONG RECOMMENDATIONS.

Regarding the efficacy of Dr. Sherwood's Galvanic Embrocation, the celebrated Physician of New York remarks as follows:—"The extraordinary rapidity with which this Galvanic Embrocation is conquering the prejudices that existed against Galvanism, and the almost truly learned and intelligent members of the Profession, seems to warrant the conclusion, that it will ultimately effect a complete revolution in the treatment of Paralysis, Rheumatism, or Shiver Complaint. Indeed, the Galvanic Embrocation discovered by Dr. Sherwood seems to have been little thought of till lately by the profession; and it will be found that Spasm, Hysterical Fainting, and loss of speech, in a great number and variety of complaints, and is a valuable companion to the regular practitioner in private families and on shipboard. Its effects sometimes appear magical, its judicious application is always beneficial, and with ordinary care no possible injury can result from its use in any case whatever, even to the most delicate person or tender infant.

From the Baltimore Daily Clipper.

It is not too much to say that every Family, Hotel, Boarding-house, every Ship and Steamer which leaves our port, and every Physician's office should be supplied with Dr. Sherwood's Galvanic Embrocation, for it is an invaluable article for all the diseases for which it is designed.

FT. LEON AND CAXTON SPRINGS.

MONTREAL, June 9, 1849.

I for the past twelve months have been afflicted with a severe attack of the Ft. Leon and Caxton Springs, and have formed a favorable opinion of their efficacy in relieving various derangements in the economy. I have given the waters a fair trial, and am happy to say that I am very sensible of the benefit I have derived from them. I am in the habit of recommending them to my friends, and will continue to do so. I have also used Dr. Sherwood's Galvanic Embrocation, and find it a most valuable remedy for all the purposes of the ordinary liniments, and for rheumatism, sore throat, and other complaints, I can strongly give them, for excellent qualities.

CRAMP AND PAIN-KILLER.

THE MOST SUCCESSFUL REMEDY KNOWN
For the Cure of all Rheumatic Affections—Pain in the Stomach, Back, Side or Limbs—Cramp in the Back, Side or Limbs—Cramp in the Limbs or Stomach—Cholera Infantum—Cholera Morbus—Dysentery and Diarrhœa, Colds and Sore Throat, all cases of Local Inflammation—Cuts, Wounds, Bruises, Headache, Toothache, Burns, Scalds, Frozen Limbs, &c., &c.

THIS wonderful Medicine has effected many truly surprising cures in cases of the following nature, and for any no more than hundreds of persons who have used it will assert, when we say there is no Medicine designed for that class of complaints, possessed more than a tythe of the power to relieve and cure of this.

We solicit particular attention to the fact that it does not contain a particle of Opium in any form. Neither does it contain Camphor.

It is free from any deleterious article, and cannot, in any possible case, injure the patient.

It does not weaken the vegetable action of the bowels, producing Costiveness and its attendant evils, but is a promoter of digestion, and of proper and healthy action in the stomach and intestine canal.

IN ALL RHEUMATIC AFFECTIONS,

LOCAL PAINS, &c., it has proved *surprisingly* successful, rarely failing to cure, even in the most desperate and long standing cases. (See Certificates.) In these cases, the parts affected should be freely bathed, and then rubbed quickly, but briskly—not hard enough to hurt the patient, but an irritation is produced on the surface, and in severe cases the patient should take half a teaspoonful on sugar or molasses.

CRAMP IN THE STOMACH OR BILIOUS CHOLIC.

We believe it will never fail to *speedily cure*. It should be a teaspoonful at a time, on sugar or molasses, or in any manner the patient can take it best, and the stomach and bowels freely bathed. And if in fifteen or twenty minutes the patient does not find relief, repeat the dose.

DYSENTERY OR DIARRHŒA.

Are speedily and easily cured by it. It should be given a teaspoonful at a time, once in an hour or two, or oftener in severe cases, and bathe the stomach and bowels with the same.

EVEN THE CHOLERA.

Which during the past season has swept off such fearful numbers, has been cured by it, we believe in every case; where it has been early and faithfully applied. In Russia, where it proved singularly fatal, it was found to yield to this remedy, and CURTIS & PERKINS' *CRAMP AND PAIN KILLER*, was the Medicine recommended by the first Physicians there, and by the Press, as the first, the surest remedy to be used.

As a dressing for *Cuts, Wounds, Bruises*, &c., it is without a rival. As also in cases of *Burns, Scalds, Frozen* &c.,—relieving the pain and *healing* without scar.

FOR TOOTHACHE

It is, nine times out of ten, a *CURE*. We believe it will *never fail*, unless the tooth is ulcerated. If the tooth is hollow, saturate a little lint and put it in the cavity. Hold some of it in the mouth. If the face is swollen bathe with it.

Bathing the head with it is generally a cure for the *Headache*.

We are constantly receiving certificates from every part of the country, many of which may be seen in newspapers, and in pamphlets, which may be obtained of any of our agents.

Please read the following statement from John Buchanan, Esq., of DUMONT, Mr.:—

DUMONT, July 14, 1849.

Messrs. Curtis & Perkins,—For two years past I have been entirely prostrated with the Rheumatism; both of my knees were swelled to twice their original size—a large bunch came out on my breast bone, appearing like a part of the bone thrown out. Another bone was thrown out of my wrist. In short, I endured the most excruciating pains for nearly three years. I obtained the best medical attendance the country afforded, and tried a great number of medicines and prescriptions without the least benefit or alleviation, when I had
