BOX CAR WOMEN ARE DEALT WITH
Immigration Inspector Was Here Here Yesterday—Women Not Interfered With Yet.
The case of the two women who were smuggled across the line in a freight car some time ago was yesterday investigated by Immigration Inspector Scarle of Toronto. He found both women were employed and their husbands working industriously. They had both been installed in comfortable homes. As there was likely to be a great deal of trouble returning the runaways to the States, as the authorities are so very strict with regard to foreign women, they will be allowed to remain where they are at present, but the matter will come up for consideration in Toronto at some future date, when the report of the inspector will be submitted and the case ultimately decided.
