

### A Strong Tribute

People who have been persuaded for any reason to try other teas almost always return to Red Rose Tea. This is the strongest tribute to its good quality.

N.B.—Coffee users will find Red Rose Coffee as generally good as Red Rose Tea.

RED ROSE TEA is good tea

Canada has been degraded in the eyes of the world by the childish efforts of a band of defeated politicians to regain office by any illegal expedient. The Liberal party has been condemned to wander many years in the cold shades of opposition, by reason of the shortsighted policy of its many leaders, who have made of a great national and Imperial duty a political football. The man who openly preached independence a few short years ago, stands, naked and unashamed, in the full glare of public opinion as one who refuses to recognize the bounden duty of this Dominion to help the motherland in times of necessity. But despite Laurier and his horde of Separatists, the great heart of the Canadian people is British still.

Gotenburg, May 5.—So many people have been vaccinated as the result of the outbreak of smallpox in Stockholm that the supply of vaccine is exhausted. Sufficient vaccine for over 100,000 persons has been ordered from abroad.  
 "Vaccination par excellence" is fashionable in Stockholm. The guests are invited to an "at home" at 5 o'clock, and a doctor arrives and vaccinates them. When this is over the guests dine together.

The following dispatch from Hantsport says: Schooner Mary E Pennal arrived from St. John May 3rd, in charge of the mate, Captain Frye having been stricken with apoplexy on the passage. He is slowly regaining consciousness and hopes are entertained for his recovery.—Ex.

## Tuplin Silver Black Fox Corporation

LIMITED.

### An Investment of \$1000 in this Company will purchase

### \$1000 of Bonds and \$400 of Common Stock

The prospectus states that the bonds will probably all be redeemed in three years.

Present indications lead to the conclusion that the Company will be able to redeem the bonds within 18 Months and at the same time pay a handsome dividend on the Common Stock.

On this basis the investor, would receive in return for his \$1,000.00, in October, 1913

1-2 Years Interest on Bonds	.....	\$30.00
10 p. c. Dividend on Common Stock	.....	\$40.00
Possibility of redemption of Bond at 105 p. c.	.....	\$1050.00
		<b>\$1120.00</b>

Thus returning the money with interest, at the rate of 24 p. c. Per Annum, and still leaving \$400.00 of Stock, which when all bonds are redeemed should earn 50 p. c. Per Annum or better.

**This is the only Fox Company selling stock that will pay a dividend this October**

It is expected that the whole capital will be disposed of in a few weeks, and applications for bonds, with 40 Per Cent. Common Stock bonus, should be addressed without delay.
