REPORT OF ANNUAL MEETING, KINGS CO. TEMPERANCE ALLIANCE

The annual meeting of the Kings County Temperance Alliance was held at Forrester's Hall, Berwick, on Friday, April 7th. By an unfortunate coincidence the Fruit Growers Association convened at the same time, but notwithstanding this handicap, the attendance at the Alliance meeting was well up to the average, fifty being present.

One of the interesting features of these gatherings is the dinner provided in the Hall by members of the Berwick W. C. T. U. About forty hungry men did justice to the wholesome viands on this occasion. The Berwick W. C. T. U. is one of the most live organizations in the County, as is witnessed by the fact that the treasurer of the Alliance announced a gift from these women of five dollars, which seems to mean that after furnishing dinner for the members at twenty-five cents they gave proceeds to the good of the cause.

The meeting was privileged in having present two workers of more than local celebrity, Dr. H. R. Grant, general secretary of the Provincial Alliance, and Dr. W. J. Smith, Field Secretary of Social Service and Evangelism, of the Methodist Church. Dr. Smith, who said he was pleased to be enrolled as a member of this organization, spoke especially of conditions in Ontario and Quebec. Dr. Grant, whose name has been associated with all that is most effective in temperance work in the Province for the last twenty-five years besides giving wholesome advice respecting several topics under discussion, described the passage of the Corning amendment through the stormy seas of party and privilege to within sight of the desired haven. Two other new members were welcomed, and made appropriate remarks, Rev. G. D. Milbury and Rev. R. S. Meadows.

Considerable business was transacted. The forward movement, centreing in the appointment of the Secretary to devote his whole time to the interests of Alliance work, was ratified, and plans submitted by the Executive for the support of the work were adopted. A committee was appointed to submit some necessary changes in the constitution. It was on motion resolved that an effort be made to create a fund to be used for a stricter enforcement of the temperance laws, and that the Provincial Government be requested to reinstate Mr. Edward M. Beckwith in the offices of Stipendiary Magistrate and Justice of the Peace from which he had been so unjustly dismissed. A letter was read from Mr. E. E. Archibald of Wolfville, expressing his interest in the work, and his regret at being physically unable to be present, and a message of condolence was ordered sent in reply.

The following officers were appointed:
President—E. B. Newcombe
Vice President—Dr. H. Chipman

Secretary—F. H. Beals
Treasurer—W. E. Porter
Executive Committee—The officers with C. C. Cogswell, N. W. Eaton, B. O. Davidson, Ira L. Cox, C. A. Campbell, C. I. Ford, George Hutchinson, N. I. Bowlby, F. H. Northup, Rev. R. B. Layton, Rev. J. D. Spidell, Rev. Mr. Armitage and Rev. G. P. Raymond.

A GOOD MEDICINE FOR THE SPRING

Do Not Use Harsh Purgatives—A Tonic Is All You Need.

Not exactly sick—but not feeling quite well. That is the way most people feel in the spring. Easily tired, appetite fickle, sometimes headaches, and a feeling of depression. Pimples or eruptions may appear on the skin, or there may be twinges of rheumatism or neuralgia. Any of these indicate that the blood is out of order—that the indoor life of winter has left its mark upon you and may easily develop into more serious trouble.

Do not dose yourself with purgatives, as so many people do, in the hope that you can put your blood right. Purgatives gallop through the system and weaken instead of giving strength. Any doctor will tell you this is true. What you need in spring is a tonic that will make new blood and build up the nerves. Dr. Williams' Pink Pills is the only medicine that can do this speedily, safely and surely. Every dose of this medicine makes new blood which clears the skin, strengthens the appetite and makes tired depressed men, women and children bright, active and strong. L. R. Whitman, Harmony Mills, N. S., says:—"As a tonic and strength builder I consider Dr. Williams' Pink Pills wonderful. My whole system was badly run down, and although I faithfully took a tonic given me by my doctor I could note no improvement. Then I began Dr. Williams' Pink Pills and was soon restored to my old time health. I can most heartily indorse this medicine."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

A British Knight in Serious Trouble

London, April 24—Sir Roger Casement has been captured from a German ship which attempted to land arms in Ireland. This official announcement was made tonight as follows:

"During the period between the afternoon of April 20 and the afternoon of April 21, an attempt to land arms and ammunition in Ireland was under the guise of a neutral merchant ship, but which in reality was a German auxiliary, in conjunction with a German submarine. The Auxiliary sank and a number of prisoners were made, amongst whom was Sir Roger Casement."

This man, who was knighted in 1911, has been in British Consular service in different places. He has been an Irish Separatist for some two years and has tried to get an anti-English party in Ireland to join the Huns.
