

For the Children

To succeed these days you must have plenty of grit, courage, strength. How is it with the children? Are they thin, pale, delicate? Do not forget Ayer's Sarsaparilla. You know it makes the blood pure and rich, and builds up the general health in every way.

The children cannot possibly have good health unless the bowels are in proper condition. Correct any constipation by giving small laxative doses of Ayer's Pills. All vegetable, sugar-coated.

CURED HER BOY OF PNEUMONIA

Newmarket Mother is loud in her
Praises of the Great Con-
sumption Preventative

"My son Laurence was taken down
with Pneumonia," says Mrs. A. O. Fisher,
of Newmarket, Ont. "Two doctors at-
tended him. He lay for three months
almost like a dead child. His lungs
became so swollen, his heart was pressed
over to the right side. Altogether I think
we paid \$140 to the doctors, and all the
time he was getting worse. Then we
commenced the Dr. Slocum treatment.
The effect was wonderful. We saw a
difference in two days. Our boy was soon
strong and well."

Here is a positive proof that Psychine
will cure Pneumonia. But why wait till
Pneumonia comes. It always starts with
a Cold. Cure the Cold and the Cold will
never develop into Pneumonia, nor the
Pneumonia into Consumption. The one
sure way to clear out Cold, root and branch,
and to build up the body so that the Cold
won't come back is to use

On Friday morning last (6th) Mrs.

Rev. Mr. Daly was absent and Rev.
Mr. Sproule, Methodist pastor, preached
an excellent discourse to a large
assemblage.

She leaves but one child, the present
Mrs. Richard Reid. John Kincaid of
this place and Mr. James Kincaid of
Syracuse are brothers of Mrs. Moore.
Mrs. David Tennant, Mrs. John W.
Tennant and Mrs. James W. Tennant
are her sisters.

As Mrs. Moore, for weeks was
drawing near the end, her faith in
Christ, her confidence in the fullness of
the provisions of His love, grew
stronger daily and brighter rose her
hopes of a glorious hereafter, leaving
behind a beautiful and consoling
souvenir that alone can rise out of
resignation and patience.

Do not think that our doctors, who
often with their patient stand on the
borders of the other world and see
footprints that they quickly recognize,
are lacking in sympathy. They are
sympathetic and see revelations under
flicking searchlights and receive im-
pressions that never leave them.

Men's Suits from \$8 to \$14

We call "United" brand, because a number of S.-R.
agents have "united" (joined together) and are buying
cloths direct from the old country mills, thereby saving
from 25 to 50 per cent on the cloth. They then get
Semi-Ready Co. to make up these cloths into suits.
The finished article is a "United" Suit—prices from
\$8.00 to \$14.00.

And, sir, if you purchase one of our "United" suits,
you are wearing clothes that cost you from \$3.00 to
\$5.00 less than you would have paid for them any
where else.

We don't ask you to believe this

but we ask you to find out for yourself whether it is
true or not. If it is not true, **we are liars,**
and you may call us such, if you find us to be such.

Every one of our United suits are made from old
country Bannockburn tweeds (twisted wool), and not
an inch of shoddy or cotton in a mile of the cloth.

We want to convince you

Are you ready? Are you?

United suits for men from \$8.00 to \$14.00.
Semi-Ready suits \$15.00 to \$30.00.
Youths and boys (United) \$2.50 to \$15.00

We pay one way to Brockville
if \$10.00 of goods are bought.

A special feature is the

The public is warned against buying gates that infringe against Frost Fence Co.'s
patent, as purchasers as well as users are laying themselves liable. For sale by
