

SUCCESS OF V. Y. C. OLD BOYS' REUNION.

The old boys' reunion of the Victoria Yacht Club, which was held yesterday at the club house at the foot of Wellington street, proved to be one of the best in the club's history. Although the weather was clear and the wind good for sailing, the water was rough, and the swimmers had hard work, but did remarkably well considering the circumstances. Mr. J. A. Cox, the master of ceremonies, expressed it as his opinion that the reunion, which marked the 10th anniversary of the founding of the club, was the best that had ever been held.

The sports were all run off in good style, and although in some events some unexpected winners sprang up and demonstrated their abilities as comers, the old favorites were not lost sight of, and carried off a large number of prizes. Frank Lawrence was particularly successful, and in the half mile his sprinting at the finish was one of the features, for he gained about ten yards on the leader, and if the distance had been ten yards farther he might have won, for he was swimming strongly.

Fred Hall looked good for first in the hundred yard race, as he has been swimming strongly of late, and also was champion of Hamilton Bay last year, but Lawrence was a little too speedy for him, and won the first prize.

The half mile was well contested, and was one of the best races on the programme, and tired the competitors well. Among those present were Mr. Adam Brown, Hamilton's grand old man, and Mayor McLaren. So well was Mr. Brown pleased with the races that he is going to give a cup every year to be competed for at whatever distance the club officials think best.

Mr. J. A. Cox, master of ceremonies, gave a short address before the prizes were presented, and outlined the steady progress the club had made during its sixteen years. He was glad to see a large number of the old boys who helped start the club present. The club had willingly taken to holding swimming races, because it realized the important part it should take in the training of young men. He then called upon Mr. Brown to present the prizes for the swimming.

Mr. Brown said he considered swimming one of the best of sports, as well as one of the things which every person ought to know, as was demonstrated by the Fleming brothers in the life-saving exhibition. Mr. Brown had a good word for the Hamilton Swimming Club, which is run in connection with the V. Y. C. A., for that club were fortunate in winning most of the prizes. He also had a word of praise for all the winners, as well as for those who did not win prizes, for he said all could not win prizes, and

those who did not win now would do so some other time.

Mayor McLaren presented the prizes to the winners in the boat races and the fishing contests, and in giving a short address said that although the V. Y. C. A. had been fortunate in securing a majority of the prizes for swimming, they could not compete in fishing races with success. One thing he lamented was that when he arrived and was handed a pole, he had hardly thrown the line into the water before the judge cried time, and he was therefore unable to secure one of the prizes. He had a good word for each of the competitors in the boat racing, and said it was a thing that should be encouraged.

The races and the prize winners are as follows:

Fishing contest—D. Mark, Charles Smith, O. W. Gibb.
Dingy race—1st, Punky, J. Morris; 2nd, Fleetwing, T. Walton; 3rd, Vera V. Hawkes.
Rowing, single—H. Freeborn, C. Pitblu, D. W. W.

Swimming, 50 yards—Fred Hall, Hamilton Swimming Club; J. Kerr, Defender Club; F. Lawrence, Hamilton Swimming Club; J. Kerr, Defender Club; T. D. Fleming, Hamilton Swimming Club; E. Sinclair, Hamilton Swimming Club.

Rowing, double—Murphy and Bolton, Work and Pilgrim, Pearson and Taylor. Swimming, 100 yards—F. Lawrence, H. S. C. medal presented by Ald. Hopkins; Fred Hall, J. Kerr, F. Fleming, H. S. C. E. Sinclair, H. S. C. A. Gale, captain H. S. C.

Rowing, V. Y. C. old boys—D. Mark, O. W. Gibb, J. E. Eccleston.
Swimming, half mile—J. Kerr, Defender Club; F. Lawrence, Hamilton Swimming Club; H. Blowey, Hamilton Swimming Club; D. Cameron, Defender Club; A. Gale, Hamilton Swimming Club; H. Fleming, Hamilton Swimming Club.

A swimming exhibition and high dive were given by Lawrence. The exhibition given by Lawrence when tied up in a bag was good. He was blindfolded, tied in the bag and dove off the V. Y. C. balcony, a height of 20 feet.

The exhibition of life-saving by Fleming brothers was greatly admired by all and was one of the features of the programme, as the different methods of saving a drowning person were demonstrated.

The officials in charge were: Master of ceremonies, J. A. Cox; secretary, T. Walton; stewards, O. W. Gibb, Sam Humphrey.

Starters—Mayor McLaren, Ald. Hopkins and T. Walton.
Judges—O. W. Gibb, E. Reeson, William Hoey and George Wark.
Starters of dingy race—Capt. Eccleston and E. A. Fearnside.

FREE THINKERS

Want Suppression of Religious Orders in Portugal.

Fight in Cortes in Which Decks and Chairs Were Overturned.

Lisbon, Aug. 3.—Free thinkers from all political parties in Portugal, represented by a liberal committee, today presented to the Cortes a petition for the suppression of the religious orders in Portugal and the abrogation of the existing laws against freedom of conscience. This step was an outcome of the meeting held in this city yesterday. The committee was accompanied to the Houses of Parliament by an immense crowd, and some wild scenes ensued. Among other things, the petitioners asked the abrogation of the recent law permitting religious associations to acquire landed property, a procedure which up to the present has been illegal.

Senator Canacho moved the consideration of the subject, and when the motion was voted down the galleries broke out in exclamation.

There was considerable violence on the floor in the House. The deputies engaged in a struggle, in which desks and chairs were overturned and the chamber had to be cleared twice. The tumult was continued in the streets, but without serious results.

HOLIDAY OF THE CITIZENS.

A Glorious Day Well Enjoyed by Hamilton People.

Civic holiday passed off quietly, and large numbers enjoyed the privileges afforded them of taking in some of the many excursions on the various railway and steamboat lines. All the parks and places of amusement in the city did a rushing business. The steamers Macassa, Modjeska and Turbina were well loaded on both the trips to Toronto and Hamilton, as a large number of the Toronto people spent the day in this city, and were visitors at the Maple Leaf Park, Mountain View Park and other places.

Two games of lacrosse between Hamilton and Toronto teams drew large crowds, as did also the various baseball games, as well as the swimming and boat races at the V. Y. C. in the afternoon.

The street railway had all it could do to convey the large crowds, but they did it without a hitch and the management deserve credit for the way in which the people were transported, especially as no serious accidents occurred.

All the suburban lines were well patronized, as special rates were given. The ferry line was kept busy all day carrying the crowds to and from the various places at which they call.

That old favorite spot, the Beach, was not forgotten yesterday, and all the way along little picnics could be seen enjoying themselves to the utmost. The beachers did a good business, as the demand for boats was very large, and on the bay at any time during the day large numbers of sail boats could be seen.

Maple Leaf Park had a large share of the crowd, and besides the regular attractions, which were all well patronized, a driving matinee was held, and a large number of those interested in horses were present.

The excursion of the C. O. F. to Buffalo and Niagara Falls proved a success, as four or five hundred went to Buffalo and seven or eight hundred to the Falls. The excursion returned at 9 o'clock.

MORE SHOCKS.

Mexico City, Aug. 3.—A despatch received from Acapulco last night states that the earthquake shocks still continue. All buildings which remain standing are untenable; a heavy rain is falling, and many are suffering from want of shelter.

AT AGE OF 93.

Death of Mrs. George Sharp—Other Obituary Notes.

Mrs. Jessie Sharp, relict of the late George Sharp, passed peacefully away, in the 93rd year of her age, on the evening of the 1st inst. at her late residence, 120 Main street, Hamilton.

Mrs. Sharp was born in Paisley, Scotland, in 1816. In early womanhood she came with her parents to Canada, and for some years lived with them at the family home, at Smith's Falls, where they settled. For nearly sixty years Mrs. Sharp had lived in this city, where she was well known. For several years she was engaged as housekeeper at the City Hotel, kept in the old days of Upper Canada by the well-known innkeeper, Thomas Davidson, and when the Royal Hotel was built she was housekeeper there. The Davidson hostelry was well known throughout Canada in those days, and Mrs. Sharp, the efficient housekeeper, was highly esteemed by the travelling public. Well nigh upon thirty years since she became the wife of the late George Sharp, who for many years was a prosperous builder in Hamilton. With older citizens the memory of George Sharp for upright, honest and devoted to all civic duty is still green.

Some weeks ago Mrs. Sharp had a bad fall, resulting in a broken hip. She was removed to the City Hospital and recovered sufficiently to return home, but the shock was too much for a woman of her great age. By the death of Mrs. Sharp Hamilton loses a kind, generous woman, whose many virtues endeared her to a wide circle of friends. To the last she retained that kindly, cheerful disposition which were marked features in her character, and which throughout a long life had insured her the love of all who knew her. Three brothers and a sister mourn her loss.

After an illness of about six weeks Mrs. Boyd, widow of the late James Boyd, died at her home, 485 Main street east on Sunday afternoon. She was a native of Peterhead, Aberdeenshire, Scotland, but had resided in Hamilton nearly 50 years. She was one of the original members of St. Giles' Presbyterian Church, and an earnest W.C.T.U. worker. Two sons, Hugh H. of Toronto, and Norman J. of Wood, Vallance & Co. of this city, and one daughter, Miss Helena, at home, survive. Deceased was a sister of Mrs. W. G. Webster, Herkimer street, this city, of Mrs. John Robertson and Miss Margaret Henderson, Niagara Falls, and Mrs. Grassick, Toronto; also of Mr. James Henderson, Cleveland. The funeral took place this

afternoon, Rev. J. B. Paulin officiating at the house and grave. The pall-bearers were Messrs. W. G. Webster, Geo. J. Robertson, E. J. Leith and Calvin Davis, city; and Norman and Forbes Grassick, of Toronto.

The funeral of William Oliver White took place from the residence of P. J. Downing, 111 Rebecca street, to Hamilton Cemetery on Sunday, Rev. T. H. Henderson officiating at the house and grave, and the pall-bearers were: R. Hammond, George Hughes, John Holland, John, C. Lewis, W. A. Day and B. A. Hull.

The funeral of Margaret, only daughter of Mr. and Mrs. Kennedy Connor, took place on Sunday afternoon from her parents' residence, 16 Devonport street, to Hamilton Cemetery. Rev. E. E. Howitt conducted the services, and the pall-bearers were: James Connor, Thomas Connor, George Gerritt and James Larmer. The floral tributes included the following: Pillow, parents; anchor, the Misses Gerritt; star, James Evans; wreath, Mr. and Mrs. Gerritt; sprays, Uncle Jim Connor, Miss Gerritt, Madeline O'Connor, Mr. and Mrs. McEvoy and family, Miss M. Maddox, the Misses Connor, Mr. and Mrs. E. Hayes, members of the W. E. P. C. Mr. and Mrs. George Maddox, Mr. and Mrs. McPhee, Mrs. Doherty, Mrs. Chas. Mr. Fred Bradley, Mrs. Kirby, Mr. and Mrs. J. Carroll, Dr. and Mrs. C. Carter, Mr. and Mrs. Cottrill, Mrs. James McNulty, Mr. and Mrs. J. Forbes.

The remains of Albert, infant son of Albert J. J. and Mrs. Holmes, were laid at rest in Hamilton Cemetery on Sunday afternoon, the funeral taking place from his parents' residence, 47 Sydney street. Rev. E. E. Howitt officiated at the house and grave. The floral tributes included pieces from Mrs. Osborne, Miss Holmes, Mrs. Gerrard, Miss Harrison, Mrs. E. Hannah, Mrs. T. Cooper, Mrs. P. Cheesman, Mrs. Durand, Mrs. Holmes, Grandma Lemmond, Mr. and Mrs. J. Thomas Slove, Perry Palmer, Mrs. S. Packham, May Lemmond and Murray Lemmond.

A former resident of Kenilworth died at the City Hospital on Saturday afternoon in the person of George Crowe. The deceased was 55 years of age. The funeral took place on Monday from Blachford & Sons' rooms to Hamilton Cemetery. Rev. S. C. Applegarth conducted the services.

Beatrice Phillips, a well known young lady, passed away on Sunday at her residence, 253 Garth street, aged 19 years. Deceased was born in this city, and had resided here all her life. The funeral will take place to-morrow afternoon from her late residence to Hamilton Cemetery.

Effects of Wind on Water.

It is an ill wind that blows nobody some good. And all winds and storms are said to be beneficent as a whole and only injurious when regarded from a limited point of view. Violent storms do not produce the greatest results. A steady wind blowing from the same quarter for a long time has a more powerful effect, as is shown by what occurs on coast lines which are exposed to the full effect of the two most prevalent winds. High waves in order to produce severe damage must have sufficiently deep water to travel, which means that for the majority of walls erected for sea defence the danger is limited to certain states of the tide, usually a little before and a little after high water.

With regard to the current forming effect of the wind, it is probable that near the coast in shallow water the wind is most effective in drifting fine bottom materials. But it seems that the wind which blows obliquely inshore is more effective in causing drift than any other and is consequently the most to be dreaded as a factor in causing coast erosion.

Storms affect coasts chiefly through the agency of sea waves and currents. The movement of sand is sometimes considerable. This is shown by the formation of immense sand dunes. These dunes often tend to advance in the land by the transference of sand from their seaward to their landward face.

Large areas of land have been devastated and houses and churches buried in this way. Storm waves and currents generated in shallow water by high winds are, however, the great agents in devastation. When a gale blows directly inshore it drifts the surface water against the shore, causing an underflow seaward, which is a more powerful factor in carrying

WHITE ROSES.

They were gathered for a bridal:
I know it by their hue;
Fair as the summer moonlight
Upon the sleeping dew.
From their fair and fairy sisters
They were borne without a sigh,
For one remembered evening
To blossom and to die.

They were gathered for a bridal,
And fasten in a wreath;
But purer were the roses
Than the heart that lay beneath;
Yet the budding life was lovely,
And not like hers who wore them;
They are faded, and the farewell
Of beauty lingers o'er them.
