## OUR ROADS

A tourist who has motored through out the whole length of this county from Boletown to Tabucintac, gives us an account of the roads he has passed over. He says that Mr. W. A. Almain, overseer for the Local Government of the roads from Tabucintac to Oak Point, has made through that section a splendid road, well formed and well ditched, with all the bridges put into first-class shape.

From Oak Point to Newcastle, the road is also in good shape. The bridges near Mr. M. R. Benn's in Duglastown and Mr. Duncan Stewart's in Nordin, and those at other places, have been widened and also raised, thus cutting down the hills very considerably and ensuring less drifting of snow in the winter. The upriver roads are also in pretty good condition. There is one very bad place, however, and that is the twynities between the centre of Newcastle town and its upper end, or "Bridgetown," so called. This piece of road, all within our town limits, is the worst piece between Tabucintac and Fredericton. We have repeatedly called attention to the state of this road, and the residents of Bridgetown have petitioned for redress of their legitimate grievances, but so far in vain. The Town Council should see that this road is permanently repaired, and repaired this season, too, not put off till the future. This road is a most important artery of commerce between town and country and its repair is imperative.

## PRaises Sir Max

St. John Globe.—Referring to the announcement that Sir Max Aitken would come to Canada to press his claims for appointment as Canadian High Commissioner, Mr. F. W. Sumner Agent-General for New Brunswick, says that Sir Max would make a splendid representative and would discharge the duties of the high office with great credit and honor to Canada.

## Keen Struggle for first Place in Big Contest

(Continued from page 1)  
prospective subscribers this last opportunity to subscribe at the old and present rate of \$1.00 a year, until the end of the voting campaign on October 31st, after which date the price will be \$1.50 a year to one and all.

A \$1360 Galaxy of Prizes  
In very few newspapers voting campaigns of any kind, and in no other weekly newspaper campaign of which The Advocate has knowledge, has such a grand collection of prizes been offered for competition as will be awarded the successful contestants in the Union Advocate Voting Campaign. The total value of The Advocate prizes is \$1360, distributed as follows:

First Prize, "Chevrolet" Touring Car	\$710.00
Second Prize, "Lonsdale" Cabinet Grand Piano	400.00
Third Prize, Cabinet Silver-plated Tableware	150.00
Fourth Prize, Six-piece silver-plated tea service	100.00

The fact in connection with the prizes in which the Union Advocate feels the greatest pride, is the almost superlative degree of merit represented by the prizes, separately and collectively. While not in the high-priced class of motor cars, the "Chevrolet" possesses a value which can hardly be said to be truly represented by its selling price in Newcastle of \$710.00. Guided by ordinary standards of motor car values, one would not expect to find in a \$710 motor car the construction, equipment and appearance to be found in the "Chevrolet" at that price. To find a COMPLETE motor car selling at \$710.00 delivered in Newcastle, combining as does the "Chevrolet," strength, power, speed, comfort, convenience, safety, and beautiful appearance, is a matter for wonder, and for this reason the "Chevrolet" has been called "the wonder car." It is a "wonder car" because it represents such wonderful value, it was selected as the first prize in the Union Advocate's second great voting campaign. No more desirable prize than a good motor car could be thought of and the famous "Chevrolet" which will be awarded the lady who secures the highest number of votes in the campaign, will undoubtedly prove itself to

be the pleasure-giving and profitable possession it is intended by the Union Advocate to be. The "Chevrolet" was purchased from the Lounsbury Co., Limited, at its head office in Newcastle, and within a short time will be placed on exhibition in the Lounsbury Company's show windows on Henry street, together with the other prizes which will be exhibited at the same time, and in the same place. The Lounsbury Co., Limited are the New Brunswick distributors for the "Chevrolet," and through their head office and various branch offices, have sold a large number of "Chevrolets," which have all proven to be all that has been claimed for this wonderful motor car.

A suitable member of the galaxy of prizes is the beautiful \$400 cabinet grand "Lonsdale" piano which will be awarded as second prize in the Union Advocate voting campaign. This instrument is, in brief, all that a piano can be in thoroughly solid, lasting construction, perfect tone, and beautiful appearance. Last year the "Lonsdale" fulfilled every expectation it aroused as first prize, and its winner, Miss Margaret Appleby, has been the proud possessor of a "Lonsdale" piano for a year, during which time it has demonstrated its value more effectively than words can convey a conception of it. The "Lonsdale" is manufactured and guaranteed by The Lonsdale Piano Co., of Toronto.

Feminine favor was won instantly for the \$150.00 cabinet of silver plated tableware when it was placed on exhibition last year as second prize, and the fact that it is this year third prize will certainly render it no less attractive, nor desirable, than it was last year. This year's third prize consists of a solid oak cabinet, polished and lined with silk, containing a "deck" and two drawers, and filled with one hundred and sixteen pieces of the highest grade silver plated ware procurable. This is the "SXXR" quality brand of Canadian Wm. A. Rogers Limited, of Toronto, who manufacture and guarantee the prize in every particular.

Of less commercial value, but of the same high standard of merit, beauty and usefulness, as the other prizes is the Advocate's fourth prize—the \$100.00 silver plated tea service, consisting of six pieces, of quadruple plated silver, mounted in ebony. Last year this was the Advocate's third prize, and it was as much admired as any of the others. Its winner, Miss Zaida Hinton, of Doaktown, was, and it delighted with the prize which she considers as desirable as any she might have won. This prize is also manufactured and guaranteed by Canadian Wm. A. Rogers Limited, of Toronto, and that company's guarantee of quality is stamped on each and every piece of the tea service, which, will without doubt please some lady this year as much as it pleased Miss Hinton last year.

With such a collection of prizes as is described above to work for, it is not surprising that the ladies engaged in the campaign are anxious to enroll themselves among the prize winners, and that they are, therefore, exerting themselves in a highly commendable manner in order to get votes.

## The New Pension List

Montreal, Sept. 22.—Tonight Mr. J. K. L. Ross, Chairman of the Board of Pensions Commissioners, announced figures of pensions for soldiers and dependents. For total disability, rank and file, the pension will be \$480 a year; squad commander, sergeant, sergeant-major, color-sergeant or other sergeant, \$510; regimental sergeant-major, \$620; lieutenant, \$720; captain, \$1,000. Those entitled to be awarded pensions are divided into six classes: First class for total disability, 100 p. c.; second class, 80 p. c.; third class, 60 p. c.; 4th class, 40 p. c.; 5th class, 20 p. c.; 6th class, less than 20 per cent.

To each of those up to and including the rank of lieutenant totally disabled and in addition totally helpless, a further allowance not exceeding \$250 a year may be made. Those up to and including the rank of lieutenant disabled and entitled to a pension in the first three classes shall be paid, in addition to the personal pension, a special allowance of \$6 per month for each child he has.

If a member of the forces is killed his widow is entitled to 80 p. c. of the full pension for her life or until she re-marries. If she marry again the pension is to be paid to her for one year afterward and then it ceases. The widow is entitled to draw an allowance for whatever children there are up to the age of 16 for a boy and 17 for a girl.

If a widower is killed in the army service each of his children is entitled to \$12 a month. A widowed mother or step-mother or a grandmother who is wholly dependent on the member of the forces killed is to receive 60 per cent. of the total disability pension. This also applies to a father totally dependent upon a son killed in the service.
