Christopher, Ill.—"For four years I suffered from irregularities, weakness, nervousness, and was in a run down condition. Two of our best doctors failed to do me any good. I heard so much about what Lydia E. Pinkham's Vegetable Compound had done for others, I tried it and was cured. I am no longer nervous, am regular, and in excellent health. I believe the Compound will cure any female trouble."

"MAYTIME" COING

"Maytime," the exceptionally popular entertainment which the Messars, Schubert are to present at the Grand Opera House, Monday, Jan. 12th, differs so radically in both theme and treatment from the conventional musical comedy as to mark a distinct innovation in stage fare. Its classification as a "play with music" is exact, for it is a dramatic narrative embellished with auxiliary music which enhances the action by fitting logically into the story.

Fire Saturday afternoon completely destroyed the residence here of A. Ferdinando on Phipps street, west Bridgeburg. The flames were discovered in the attic of the house, but before the firemen could get there the house was enveloped in flames. A frozen hydrant delayed the firemen. Mrs. Ferdinando and her three little children were forced out into the zero weather. Most of the furniture was saved, however, from the lower floors. A defective chimney is thought to be the cause of the fire, which did about \$2,500 damage.
