Tim Shannahan on that Committee Man.

Mrs. Tucker says "is a bad sign for a man to lose his temper, when starting in to write for the press, for the readers of the letter, will be of nice and cool, and read the letter, and pass judgment on it as it deserves. But there are some men in this community who think every one else must see things as they do, and when men like Shannahan and Tucker became so impertinent as to offer a suggestion contrary to their views these individuals begin to perspire up around their foreheads and get shaky at the knees through spite.

Does Mr. Committee Man want to pauperize a certain section of the people of this town by expecting us to chase them around the streets in search of a ticket? Surely he is not so dense as not to be able to see the ridiculousness of this idea.

In Dread of 'Something' You can scarcely tell what—it may be Hysteria, Insanity, Nervous Collapse. You can only throw off this depression when the nerve cells are restored to health by such treatment as Dr. Chase's Nerve Food. Your digestive system has failed to supply proper nourishment to the nerves and you are compelled to seek aid from other sources. It will take some patience and persistent treatment, but there is no way by which you can so certainly restore health and vigor as by the use of Dr. Chase's Nerve Food. The best time to restore the nervous system is long before such a critical condition is reached. Such symptoms as sleeplessness, headaches, nervous indigestion, muscular weakness, loss of energy, failure of memory and power of concentration, irritability and discouragement tell of a failure of the nervous system and warn you of the approach of serious trouble. Dr. Chase's Nerve Food 50 cents a box, 6 boxes for \$2.50; all dealers, or Edmondson, Bates & Co., Toronto.

WOMAN'S WORK is never done. So runs the proverb. But with Sunlight Soap as a helper the wash is quickly over. Dirt flies before Sunlight Soap like the morning mist before the rising sun.

SUNLIGHT SOAP

Uncle Walt THE POET PHILOSOPHER.

I read about the warlike guy who smiling goes to battle; and naught can still his joyous cry, and nothing him can rattle. But nobler than the man who wins renown with battle axes, is he who springs some HEROES sunny grins while coughing up his taxes. The captain who, in time of wreck, is free from fear's emotion, who calmly walks his sinking deck, alone upon the ocean, deserves a wreath upon his tile; he's surely smooth as wax is; but O the man who wears a smile while coughing up his taxes! I've seen a brave policeman walk where vicious knives were lying, and bullets merely missed his block, and bricks and knives were were flying; I've seen the wild beast tamer fool with savage bears and yaks; but O the man who's calm and cool when coughing up his taxes! Let oak leaves on his brow be laid, let nothing be denied him! All other heroes wilt and fade when they are brought beside him! No greater shall be found while earth revolves upon its axis—this lofty soul of sterling worth, who smiles when paying taxes! Copyright, 1911, by George Matthew Adams. Oscar Mason.

Despair and Despondency No one but a woman can tell the story of the suffering, the despair, and the despondency endured by women who carry a daily burden of ill-health and pain because of disorders and derangements of the delicate and important organs that are distinctly feminine. The tortures so bravely endured completely upset the nerves if long continued. Dr. Pierce's Favorite Prescription is a positive cure for weakness and disease of the feminine organism. IT MAKES WEAK WOMEN STRONG, SICK WOMEN WELL. It allays inflammation, heals ulceration and soothes pain. It tones and builds up the nerves. It fits for wifehood and motherhood. Honest medicine dealers sell it, and have nothing to urge upon you as "just as good." It is non-secret, non-alcoholic and has a record of forty years of cures. Ask Your Neighbors. They probably know of some of its many cures. If you want a book that tells all about women's diseases, and how to cure them at home, send 31 one-cent stamps to Dr. Pierce to pay cost of mailing only, and he will send you a free copy of his great thousand-page illustrated Common Sense Medical Adviser—revised, up-to-date edition, in paper covers. Handsome cloth-binding, 50 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

First Regatta Meeting. The first meeting of the Regatta Committee to be convened this season will be held Monday night, in the Armory at the T. A. Hall. The Coronation festivities will then have concluded, and the Committee will be in a position to deal with our Great Derby. Hon. John Harvey, the President, last year had with him an aggregation of energetic and painstaking gentlemen all of whom we learn will be glad to act this year to make our great national day the complete success it deserves to be. The public are behind these gentlemen and will, no doubt, give the support so generously accorded in the past. The Governor and Lady Williams will receive at Government House from 3.30 p.m. to 6 p.m. on Thursday, the 22nd of June, in honour of the Coronation of His Majesty the King. If the weather is fine the Reception will be held in the Garden. T. C. FITZHERBERT, Private Secretary. June 15, 17, 20, 21. The Governor will hold a Levee at Government House on Thursday, the 22nd of June, at 11 o'clock a.m. in honour of the Coronation of His Majesty the King. T. C. FITZHERBERT, Private Secretary.
