A. H. MURRAY,

Marie Corelli Talks "Right Up"
To the Rev. R. J. Campbell of "The New Theology" fame.
In what she considers an unfair attack on her new book, "The Everlasting," Miss Corelli says, "That while preaching in the City Temple, London, he deliberately slanders both myself and my work as a servant depravity running all the way through it, and I challenged him to prove it. Far from any hard or unsympathetic feeling towards him, I endeavour to show how it may be lessened and finally overcome by one's own noble effort when once we realize the eternal life that evil is always repaid by evil and good by good."
Every person interested in good fiction and in the social condition of the people should read "The Life Everlasting." Paper, 60c; cloth, 75c. Postpaid on receipt of price.
All books by Miss Marie Corelli and the Rev. R. J. Campbell are in stock. Write for list, also for lists of 10, 15, 25 and 50 cent reprints of the world's best novels.
