With the 30th of April, the work parties at Government House will cease. After that date the work-room will be open Monday afternoons only, from 3 until 5 o'clock, when work will be given out to any ladies desiring it, and the finished work will be received. Will all those who have taken out work during the winter kindly bring it to Government House any Monday afternoon during the month of May? There are a number of workers whose names are not recorded in the W. P. A. member's book. Will these ladies hand their names in as soon as possible, as Lady Davidson is anxious to have a complete list of all those attending work parties, and also ladies working for societies and in their own homes? apr27,28,29,may3,5,7
