**FISHERMEN!**  
  
 Fishermen of late have been complaining of sore and tired feet, besides suffering from Rheumatism, etc. brought on by wearing Rubber Boots. Scores of Fishermen have been telling us of how they suffered last summer when fishing in the bay sun, their feet being burned and blistered in the Rubber Boots which they wore, and later when the burning ceased their feet were wet with cold perspiration.  
 Fishermen! Get a pair of SMALLWOOD'S GOOD LEATHER BOOTS. They will keep your feet warm and dry.  
 You may say, "Leather boots have gone up in price." Quite so, but Rubber Boots have gone up also. We will guarantee that a pair of our Boots will outwear any two pair of rubber boots on the market. Wellington Boots, Napoleon Boots, High and Low Boots, Men's, Boys' and Youths' Bellows Tongue Boots.

**Don't Forget Your Boy Who is Fighting for You.**  
 You are in perplexing circumstances when you want to know that to send him. We will try and help you out. He needs something to break the strain away on his nerves. He wants to be taken away from his surroundings for a time, even if it is only his mind.  
**WE SUGGEST A BOOK.**  
 You think, Oh what is a Book? When he is finished with it it will be no good to him. But you send him a pack of cigarettes and cigars which give only about five minutes' enjoyment to him alone, while a book, long after he has read it, lingers in his memory, and even after he has finished it it can be passed from one to another in the trenches.  
 We have the largest collection of Books.  
 We will save you all the trouble sending it.  
 Write your letter at home or our store.  
 We will supply writing materials and a place for you to write in quietness.  
 We will mail it for you.  
 We will try and help you in our selection. Call at

HERE ARE THREE BOOKS THAT ARE JUST OFF THE PRESS.  
**INSECT ADVENTURES.**  
 (By J. HENRI FABRE).  
 Translated by Alexander Teixeira de Mattos and Adapted for Young People by Louise S. Hasbrouck.  
 Could any child fail to be interested in nature subjects if he had a chance to learn about them from Fabre, a scientist unequalled in his chosen field of insect life, and a master of the art of appealing to the youthful imagination? His profound knowledge is imparted in terms of fascinating adventure. The "caddis worm" "pirates," "the insect submarines," "the spider's telegraph wires" are introduced to the child reader. The life stories of the bee, the wasp, the spider, the fly are told with that whimsical imagery and fanciful twist which make them read like a fairy tale. The charm of the book is completed by the fascinating, quaint sketches, very French in style, which are profusely scattered through it. Illustrated, \$2.00.  
 "The Mystery of the Hasty Arrow," illustrated, cloth \$1.50. Anna Katharine Green's new book.  
 "Songs from a Young Man's Land," \$1.50. By Sir Clive Phillips-Wolley. These Poems pulsate and throbb with the new spirit of unity and solidarity that is vibrant throughout the flagging Empire to-day.
