Ferro Marine Engines, Gasoline and Kerosene.

We know we have the best kerosene engine which has ever been sold in Newfoundland, and everyone acknowledges that the Ferro is the best gasoline engine, and as kerosene is 36c. a gallon and gasoline only 45c., gasoline is fully 20 per cent. cheaper for fuel, besides doing away with Carbon and other disagreeable faults when using kerosene, and an engine will last three times as long. We have 21/2, 51/2 and 71/2 H. P. on hand for immediate delivery. Take no chance of being without an engine this season when you can get immediate delivery on a Ferro, which is the best 2 Cycle engine in use in Newfoundland.

Lowest prices on Batteries, Coils, Stuffing Boxes, Carbur-etors, Switches, Propellers, Shafting, Magnetos, or anything required in the gasoline engine accessory line. Order to-day.
