The Most Tempting Cakes

you ever tasted are made with Crisco, the wholesome shortening which stays fresh longer and pleases better than any shortening you ever used. Try Crisco, it will surprise you with its delicious wholesome flavour. Crisco can be used over and over again. After deep frying simply strain through a cheese cloth to remove any particle of food. Then Crisco is ready to bake light tender cakes—delicious and digestible pastry. Crisco is economical, for you can use one-fifth less than expensive butter, with better results. Crisco is obtainable at your grocery store. Distributed in Newfoundland by GERALD S. DOYLE, St. John's. Get Crisco with your next grocery order. Jan 11, 31
