In St. Church this evening is postponed, this educative campaign both but will be held on Friday evening instead, at Gower St. Church at 8 sections of the community are o'clock. While the public will no equally interested, and they doubt be disappointed, they will apmust unite forces in conducting preciate the fact that no other course it. The spirit of the measure aims at co-operation; its success and Dr. Curtis to reach town. Bedepends upon unity of action, cause of this change in the programme and the sooner a common basis the Friday evening services in the of operations is found the better four Methodist Churches will not white are the chances of preserving take place, but the people are asked to come to Gower St. Church to hear harmony and making progress. the story of the history, romance and

When Will Awakening Come Pringle will have a special message to St. John's?

A correspondent in to-day's ing. issue, in dealing with the question of sanitation in the city, asks if it is not time for St. John's to shake off its lethargy now that Newfoundland as a whole seems to have awakened to new life, and has decided to throw off many of the shackles that have retarded her progress that have retarded her progress in the past. It is to the capital that the rest of the country should naturally look for a lead, particularly when the proposed Municipalities, to which reference has already been made in the Legislature, have been estable of the wholesale price of flour was reduced thirty central barrel here to-days, the price having been increased thirty central barrel on Wednesday.

tablished. At present, however, o far as civic affairs are conerned, there is little that has been accomplished which they night imitate with advantage, and the fault wherever the

AT ST, JOSEPH'S HALL.

The Irish Night concert held in St. Joseph's Hall was largely attended. The programme was of a high order and was rendered in a manner which pleased the whole audience and consisted of songs by Misses Rose Brophy, K. Conway, K. Hayse, M. Doran, C. Walsh; Messra, P. Smith, R. Jardine, R. Redmond, T. Doheny, a dance by Miss Nellie Marshall; specialty by Mr. Dan Delmar, and Miss Bileen Delmar, and a ventriloquist performance by Mr. Joe Wheeler. T. A sketch, entitled "The Irish Linen Pedler" made up the second part of the programme and the characters were all impersonated in a way that brought much applause. The performance were Misses K. Hayes, C. Larken, J. Squires; Messrs, J. J. O'Grady, R. Redmond and P. Smith.

The Star Ladies' Association held a card party, supper and dance which proved very enjoyable. During the afternoon a party for children took place and the large number of kiddles in attendance spent a pleasant and enjoyable time. At night the first part was devoted to card playing, in which a large number of society folk participated. The prizes were won by Mrs. Frank Noseworthy and Mr. J. Cullen.

Stella Maris

Sank Quickly

In connection with the loss of S.S. Stella Maris, word has been received that on the night of sailing and during the following day very heavy weather was encountered, which, it is thought strained the ship. An effort was made to keep in the Prospero's wake, but this proved unsuccessful. At 6 p.m. Tuesday the ship entered the isefields and made good progress. At 9 a.m. on Wednesday morning everything appeared to be going well, but
