Wife to Husband—(Rubbing the Pain-Killer on his rheumatic shoulder brought relief.) It is a great pity such a good medicine as Perry Davis' Pain-Killer is not more extensively used. Just see what a world of good it has done even since we have had it. George don't have the toothache any more, it has saved Freddy severe attack of Fever, it has cured me of Dyspepsia, and I know it will relieve you of Rheumatism.

Husband—You are right, Mary, the Pain-Killer seems to fire up the hot corners of my shoulder and put new life into it, it certainly does act instantaneously. I do think, my dear, I am cured already; (mutilatingly) well, well, I have heard said it is true, my shoulder is free from pain for the first time for these two months.

Wife—It is strange we never have been induced to try it before. I should have thought you would have been often advised to try it.

Husband—I have had the Pain-Killer recommended many times, but between the Doctors and Druggists they have always succeeded in keeping me from using it by suggesting other trash that has done me no good.

Wife—People seem to enjoy paying the Doctor five to ten dollars every now and then to experiment on them, when a twenty-five cent bottle of Pain-Killer would give them far more relief, and then the Druggists are obliging if they hand to say "I want Perry Davis' Pain-Killer and nothing else will do," and thus refuse to buy their trash.

To be continued.

The Pain-Killer is an internal and external remedy for pain. For internal pain, Cramps, Spasms, Stomach Colic and Bowel difficulties, a few drops in water will give immediate relief. As a liniment it is without an equal; it stops pain almost instantly. Be sure and get the genuine, made by Perry Davis & Son, and sold by Druggists and Grocers.

FELLOWS COMPOUND STRUP OF HYPOPHOSPHITES

All life-endowed bodies, whether they be Beasts, Birds, Reptiles, Insects or even Zoophytes, and subjects of the Vegetable Kingdom are governed by vital force, which binds all the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality may be sustained in the living body is in itself a boon to the world.

Modern Chemistry has ventilated the question and discovered the ingredients constituting the brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are strengthened.

This is the substantially the basis on which FELLOWS' HYPOPHOSPHITES is built, its direct action is upon the Blood, the Brain and Nervous System, and the Muscles, Strengthening the Nerves, it causes the rapid distribution of Vitalized Blood in the Muscular Organs of the Body.

Rousing the Stagnant Heart and Liver, Strengthening the Action of the Stomach and Bowels, and enabling the Lungs to be fully saturated with Oxygen.

It is adapted for all cases of Weakness and Emaciation, whether arising from a Senescent life, a tropical climate, from fever, or debility from any cause, and is efficacious in Pulmonary Consumption, many confirmed cases having been cured and all benefited, where its use has been continued over a fortnight.

In Rheumatism it is a specific, and in Asthma it gives relief where every other remedy fails.

For Nervous Debility it stands unrivalled, and may be used with confidence in all cases.

As this is entirely distinct and different from every other preparation of Hypophosphites, be careful to ask for FELLOWS' Syrup, and take no other.
