

SWEPT ALL BEFORE HIM

The Minister of War in Venezuela Simply Demolished all Before Him.

AROJO GREAT FIGHTER GOOD STORY-TELLER

The Eyes of all Venezuela Fastened on the Invalid Castro

Caracas, Jan. 16.—Minister of War Arojo returned from the Colombian frontier, whither he went to do battle with General Mantilla, the revolutionary guerrilla, officially reports that upon his approach the brigand fled. Mantilla's previous record of four battles and four victories against government troops has started a rumor that Arojo's bloodless victory was obtained by collusion with the guerrilla chieftain. In the anti-Castro circles Arojo is credited with being a supporter of Vice-President Gomez for the presidency.

The all important subject here is the health of President Castro. Since he became ill, over six months ago, his condition has been jealously guarded. For political reasons all official information concerning his condition has been optimistic. For the same reason reports from antagonistic quarters have been pessimistic. The Associated Press correspondent learns that he is suffering from gastric fever, as his physician, Dr. Revenga, states, it is merely a contributory ailment. His real malady is more serious, requires long and careful attention, sometimes results fatally, and seldom fails to leave its victim weakened in some way.

Castro is reported better by a source of information apparently unprejudiced.

The country suffers from the lack of an active head. Public building has ceased. Dr. Ravenga, secretary general to the president, exercises every power of government, and even the sale of stamps has been monopolized. The cost of living in Caracas is little less than in New York. There is sufficient popular discontent for a dozen revolutions, but no leader strong enough to bring about concerted action.

It is reported here that President Roosevelt will send to congress a special message dealing with Venezuelan affairs. It is hoped by commercial interests that if such a message is delivered it must bring about a change for the better in the economic condition of the country. A merchant recently in conversation with the Associated Press stated emphatically that 80 per cent. of the business men of Venezuela would welcome American intervention in almost any form. They view with envy the prosperity of Cuba, Porto Rico and Panama.

THE FIRE THAT RAGED IN ALIX

Considerable Damage Caused by the Conflagration

Alix, Jan. 13.—A fire which did considerable damage to the little town of Alix broke out on Saturday night between 9:30 and 10 o'clock. It occurred in the drug store which formed part of the premises of Dr. A. Wilson and seemingly arose from overheating of the furnace. Before any attempt at salvage could be made the building was in flames and the windows fell in at once. One or two people strove to enter by the back, but were driven out by the smoke. The general store of D. G. Campbell was adjoining, there being practically no space between them, and it was not above 15 minutes before that too caught. Possibly some personal effects might have been saved had not Mr. Campbell been in bed at the time, but the ordinary contents of the store were of such an inflammable nature that as soon as the fire got a hold the building was doomed. It burned like match-wood. The post office adjoined the store, and with great promptitude and self sacrifice Mr. Campbell and his assistant burst into it and succeeded in saving the mail and postal books, etc.

The buildings destroyed formed a block by themselves in the main street of Alix and so the army of workers were enabled to prevent the fire spreading to neighboring stores and stables, though powerless to prevent the entire destruction of the block, which is now a bare, black, smoking patch.

Dr. Wilson's store and premises were quite recently built and practically uninsured. There was no fire engine or fire fighting implements available, though it is doubtful if they could have saved anything. Seeing the fire that occurred within in the last few months at Lacombe, the recent fire at the Imperial hotel in Alix, the conflagration at Stettler, and this last serious loss by the same means, this district has paid very heavy toll during the early part of the winter to the most ruthless of all destroying elements.

An applicant for inspection must be eligible for homestead entry, and only one applicant for inspection will be received from an individual until that application has been disposed of.
