THE SCHOOL EXHIBITION

(Continued From Page One)

that ever rocked the world was brought to a close. Our hearts were full with pride when we heard the Dr. tell how large a part our own dear country, though small in numbers and poor in capital, played. How Canada was put on the world's map at that time, as the staunchest, bravest, finest country on the face of the globe!

K. Bryant, the popular president of the G.W.V.A., and always a felicitous speaker, addressed the gathering on behalf of the Vets.

Mr. Barton very generously brought his radio over to the school and set it up, entertaining the audience during the evening with all the delightful things that were on the air.

All in all, this second Fernie Public School exhibition was a splendid success. The get-together spirit which it fosters between school and community is invaluable and both principal and teachers deserve great credit for the way it was put on.

MT. FERNIE CHAPTER I.O.D.E.

At the regular monthly meeting of Mt. Fernie Chapter I.O.D.E. held on Dec. 12, it was decided that henceforth a short report of their meetings be sent to the local press, as customary with other chapters.

The meeting was opened by the Regent in the chair with a brief silence devoted to the memory of the beloved Queen Mother.

The minutes of the last meeting were read and adopted, reports of committees received, letters of thanks and appreciation read from members to whom flowers had been sent during illness, and from a returned soldier family who had been assisted in temporary need.

Arrangements were made and date decided upon for the annual banquet for Entrance Class girls.

\$10 was voted towards Hospital Christmas Cheer, \$5 towards the Women's Hospital Auxiliary, and \$15 toward the G.W.V.A. Christmas tree.

Mrs. Charles Bennett was elected a member of the Chapter.

The Regent reminded the members that the nomination of officers and councillors would come up at the next regular meeting in January, names to be posted and voted upon at the following February meeting.

Annual fees are due and should be paid in order to have the privilege of voting at the nomination and election of officers.

The meeting closed with "God Save the King."

COMPENSATION ACT CHANGES

Victoria, Dec. 15.—Changes in the Workmen's Compensation act introduced in the legislature today by Attorney General Manson provide:

1. That compensation shall be paid to injured workmen for the full period of their disability, provided that it lasts 14 days. This removes the previous three days' waiting period for which no compensation was paid, except that where the man is laid off for less than two weeks he still suffers the three days' loss.

2. That the compensation payable to orphans shall be raised from \$12.50 to \$15 per month. This is in line with the scale of compensation in other provinces.

3. That foster mothers shall be entitled to aid on the same basis as real mothers in respect of orphaned children until these children are 16 years of age, and provided that she carefully cares for them. Mr. Manson stated that while labor organizations had asked further changes, these would have imposed heavy financial burdens on industry and possibly have killed the goose that lays the golden egg.

SALVATION ARMY ANNUAL CHRISTMAS ENTERTAINMENT

The young people of the Salvation Army will hold their annual Christmas entertainment in the Army Hall on Monday, December 28th.

Two exceptionally fine Christmas plays entitled "A Christmas Eve Pilgrimage" and "The Coming of Santa Claus" will be presented by the young people under Miss Millie Littley.

The whole programme will be given twice, in the afternoon especially for children and at night for adults. Children's tickets 15 cents and adults 35 cents.
