"We believe that in extent of light-weight raw material collected and carried, Mr. Page holds the lead of any competitor and that his present stock is the largest held by any house in this country."

And the Review says:

"After a most thorough investig at m of Mr. Page's business, as compared with others in same line, we have become fully satisfied that in his specialty, light weight stock, he is unquestionably the largest dealer in this country, while m superiori y of quality, he is contessedly at the head."
