ADDRESS-

JOB DEPARTMENT.

Advertiser Printing Co., London, Ontario THE MILITARY CAMP.

The City Loses by the Shifting Policy.

Aldermen Would Like To Make the Work Permanent if the Camp Were the Same

-The Band Concerts - Mr. Cronyn's

Provise-A Batch of Business

The loss that London incurs through the shifting of the military camp from one place to another was made evident at the meeting of the Board of Works last evening. Work costing the city about \$800 was performed last time but the construction had to be torn up when the camp was over. Specifications for the work required this year were read last night, and Ald. Garratt felt salled upon to remark that it would be well to know if the camp was to be a fixure here in order that the intended construction could be made of a permanent nature, and thus the expense and trouble saved of tearing it up after temporary necessities had been served, and repeating the outlay for the next camp. Other members agreed with him. Ald. Jones said that under the circumstances he did not think they could make the work permanent at present. They had better wait another year. Tenders were then opened. Smith Bros. get the contract for laying water mains for \$110, and Peter Toll the carpentaring, etc., for \$430. Three of four electric lights will add to the expense.

The band concert question was brought up. Bandmaster Charlton, of the Cavalry Band, stated that he could furnish twenty men of over at the rate of \$1 aman and \$2 for the leader for every concert. The committee decided to meet again to-night to heart he terms of the Seventh Band. The bandstand on Victoria Park will be repaired so that the concerts may commence next week.

Malloch & Co. offered to furnish ix good

hear the terms of the Seventh Band. The bandstand on Victoria Park will be repaired so that she concerts may commence next week.

Malloch & Co. offered to furnish six good neat drinking fountains for \$200. The committee wanted to see the patterns first and as an absent alderman had them in his pocket, this much-delayed matter was given another brief shunt.

Hugh C. Baker, manager of the Bell Telephone Company, expressed his willingues to meet the city re the telephone pole difficulty. Letters were received from Toronto and Ottawa, saying that neither of these cities received any revenue from the telephone, telegraph or electric light companies for the privilege of erecting poles, and another from Hamilton stating that the city got \$1,500 a year from the telephone company. Mr. Baker will be met.

The B. N. A. bank want an artificial stone waik on Queen's avenue, to the north of the bank. It will be advertised. The petition against the proposed walk on Princess avenue between William and Adelaide streets will be granted.

A number of accounts were passed including the paysheet, \$761 21.

Mr. Cronyn, president of the Street Railway Company, wrote to say that the only condition on which they could consent to the divergence of Hunt's mill race from their property was a guarantee by the city to supply, when required, the company with all water necessary for condensing purposes on the ground in question and a course for the discharge of waste water. The matter was laid over and it will be ascertained whether Mr. Hunt can furnish such a guarantee. Mr. Cronyn also wrote that the company was not responsible for the paving between the street railway tracks beyond the block pavement on Dundas street east, for which work the city had sent him an account. The city solicitor will be consulted.

The engineer will report on the possibility of diverting water from the overworked Maitland street drain to run into

will be consulted.

The engineer will report on the possibility of diverting water from the overworked Maitland street drain to run into the creek.

W. H. Weston's petition for a drain on Stanley street will be advertised.

R. Smith et al. petitioned against the proposed block pavement on Ridcut street, from King to York. Petition acceded to. The engineer and Ald. Shaw will look into W. Dudenheifer's complaint, re crossing of Wharnoliffe road and Stanley street.

R. Hueston drew attention to the condition of the sidewalk on Queen's avenue, between Adelaide and Elizabeth streets. The engineer will investigate. He will also report on the motion asking that a ditch be made to carry off water from the Pipe line, which now oozes into Mr. Taylor's property.

We are making a specialty of Fine Wedding Stationery, and have all the prettiest designs in stock as soon as the goods are on the market. The latest New York designs just received.

He new closet on Victoria Park will be produced. The belfry for the City Hall is in a rickety state and will be fixed.

Ald. Jones thought Contract of O'Shea should carry out his contract in regard to broken stone. Ald. O'Meara said it was impossible to get the stone while the river was so high. Maurice Baldwin complained that he wasn't making a cent out of his street sweeping contract and saked that his burdens be lightened. The engineer will report. Mr. S. H. Craig informed the aldermen that he was making all possible haste in laying sidewalks. It was nearly 11 p.m. when an adjournment was made. There were present: Ald. Garratt (chairman pro tem...) Mayor Spencer, Ald. Bartlett, Shaw, Jones, O'Meara, the city engineer, commissioner, and Secretary Bell.

Dying in Agony.

MARCELLUS, Mich., June 9.—Two small children belonging to Harry Rose swallowed carbolic acid. Both will die.

The sewer pipe works of Robinson Bros. Akron, Ohio, were burned Tuesday night. Loss \$100,000. Loss \$100,000.

Mr. J. R. Allen, upnolsterer, Toronto sends us the following: "For sig creeven years my wife suffered with Dyspepsia, Costiveness, Juward Piles and Kidney Complaint. We tried two physicians and any number of medicines without getting any rumber of medicines without getting any relief, until we got a bottle of Korthrop & Lyman's Vegetable Discovery. This was the first relief she got, and before one bottle was used the benefit she derived from it was beyond our expectation."

SPECIAL NOTICES.

The Best in the World.

The oil of the Norwegian Cod Liver is nature's grand restorative, and is only found in its entirety and purity in Miller's Emulsion. It is the most palatable and wholesome preparation of Cod Liver Oil in the world, and is now being taken by invalide, particularly those afflicted with consumption, with the most astonishing success. It is the greatest blood and flesh maker in existence, and is a life saver to consumptives. In big bottles, 50 cents and \$1, at London drug stores.

Parlor and bedroom suites; large stock to select from. Fine cabinets and library cases; picture framing and repairing. WM. TRAFFORD, 95 and 97 King
