It is only fairly strong, slightly nervous, but exhibiting a fair degree of stock has been heavily sold. There and explanations are no more vivid today steel is sold on a revival of the rumors that the earnings of the company are abnormally small. The opening market was fairly strong, reflecting the better prices in London. A reaction set in quickly, which carried prices down throughout the list. Brooklyn Rapid Transit sold off, and the tractions were generally easier. Misouri Pacific sold off carly and the granger stocks generally

Satisfactory Explanation Given of a Discovery Made by the Company's Employes.

The most interesting case set for the county court came up this morning, when George McGregor, a barber, was charged by the Gity Gas Company with stealing gas from their pipes. No case was made; against him and he left the court fully second rated. This was an instance of where strong circumstantial evidence did not convict. The case was referred from the police court. The company alleged that AcGregor made a connection with the service pipe in his centar. REPUBLICAN CONVENTION

Chicago and St. Louis Are Both After It.

Washington, Dec. 11. - The Republican national committee began its initial meeting, preparatory to the presidential campaign of 1904, at the Arlington Hotel, at noon today. Every state and territory except Hawaii was represented. The principal business to be transacted in the selection of the time and place for holding the next Republican national convention. Senator Hanna called the meeting to order. Both Chicago and St. Louis, rival cities for the convention, are maintaining headquarters in the hotel. Balloting on the question of time and place will be held tomorrow.

A Surgical Triumph.

Lethbridge, N. W. T., Dec. 11. - A esaerine operation was successfully erformed at Galt Hospital here yeserday. The mother and child are both doing well. This is the first operation of the kind in the Northwest Territories, if not in Western Canada.
